INTERESTED PARTY REGISTRATION

TO WHOM IT MAY CONCERN:

The California State Lands Commission (Commission) is proud to release its Request for Project Proposals (https://www.slc.ca.gov/lease-opportunity/burlingame/) for the use of 9.4 acres of vacant, state-owned waterfront property consisting of 1,000 feet of shoreline on the San Francisco Bay at 410 Airport Boulevard, in the City of Burlingame, San Mateo County.

The Commission intends to select a Respondent that can provide for the long-term use and maintenance of the property and has demonstrated the ability to design, finance, construct, and maintain a use that is consistent with the Public Trust Needs Assessment, as provided and further detailed in the Request for Project Proposals. Commission staff will present the successful Respondent's proposal to the Commission, which will decide, in its sole discretion, whether to authorize a short-term ground lease and under what terms.

Please indicate your interest and intent to submit a proposal by completing the information in the space provided below and return this page to the California State Lands Commission at the above address and to the attention of Marlene Schroeder or by email to Burlingame@slc.ca.gov.
