

CALIFORNIA STATE LANDS COMMISSION

ENVIRONMENTAL JUSTICE COMMUNITY ROUNDTABLE

TUESDAY, AUGUST 21, 2018

6 – 8 PM

Martinez Event Center: 524 Main St., Martinez CA 94553

Please RSVP by Wednesday, August 15th

Parking can be located [here](#) • Refreshments Provided

Please join the State Lands Commission to discuss issues affecting your communities, and learn how our agency can better identify and address environmental justice issues impacting your communities. This is an opportunity to make your voices heard and for us to better understand your concerns and priorities as we develop our environmental justice policy.

OBJECTIVES:

- Share our draft environmental justice policy and get your feedback.
- Listen to and better understand public concerns about local impacts of our leasing practices, including for industrial, commercial and recreational uses within and along San Pablo Bay, Suisun Bay and the Carquinez Strait.
- Learn about other priority issues in the greater Solano and Contra Costa areas.
- Brainstorm how we can work more closely with environmental justice communities.
- Develop genuine relationships with environmental justice communities.

CONTACT:

Sheri Pemberton (916) 574-1800 sheri.pemberton@slc.ca.gov or environmentaljustice@slc.ca.gov
