

## CHAPTER 697

An act to amend Sections 3, 6, 7, 12, and 14 of, and to add Section 6.5 to, Chapter 1044 of the Statutes of 1968, relating to tidelands and submerged lands.

[Approved by Governor September 8, 1978. Filed with  
Secretary of State September 11, 1978.]

*The people of the State of California do enact as follows:*

SECTION 1. Section 3 of Chapter 1044 of the Statutes of 1968 is amended to read:

Sec. 3. The State of California hereby confirms the title to the City of Carpinteria of such tide and submerged lands as were originally granted to the County of Santa Barbara by Chapter 846 of the Statutes of 1931 and as are located within the boundaries of the City of Carpinteria, as such boundaries were established upon its incorporation, to be forever held by such city and by its successors in trust for the uses and purposes, and upon the express conditions following, to wit:

(a) That the lands shall be used by the city and its successors for purposes in which there is a general statewide interest as follows:

(1) For the establishment, improvement and conduct of a harbor, and for the construction, reconstruction, repair, maintenance, and operation of wharves, docks, piers, slips, quays, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accomodation of commerce and navigation.

(2) For all commercial and industrial uses and purposes, and the construction, reconstruction, repair and maintenance of commercial and industrial buildings, plants and facilities, as may be specified by the city council, after public hearing.

(3) For the establishment, improvement and conduct of an airport and heliport or aviation facilities, including but not limited to approach, takeoff and clear zones in connection with airport runways, and for the construction, reconstruction, repair, maintenance and operation of terminal buildings, runways, roadways, aprons, taxiways, parking areas, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of air commerce and air navigation.

(4) For the construction, reconstruction, repair and maintenance of highways, streets, roadways, bridges, belt line railroads, parking facilities, power, telephone, telegraph or cablelines or landings, water and gas pipelines, and all other transportation and utility facilities or betterments incidental, necessary or convenient for the promotion and accommodation of any of the uses set forth in this section.

(5) For the construction, reconstruction, repair, maintenance and operation of public buildings, public assembly and meeting places, convention centers, parks, playgrounds, bathhouses and bathing facilities, recreation and fishing piers, public recreation facilities, including but not limited to public golf courses, and for all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any such uses.

(6) For the establishment, improvement and conduct of small boat harbors, marinas, aquatic playgrounds and similar recreational facilities, and for the construction, reconstruction, repair, maintenance and operation of all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any of such uses, including but not limited to snackbars, cafes, restaurants, motels, launching ramps and hoists, storage sheds, boat repair facilities with cranes and marine ways, administration buildings, public restrooms, bait and tackle shops, chandleries, boat sales establishments, service stations and fuel docks, yacht club buildings, parking areas, roadways, pedestrian ways and landscaped areas.

(7) For the protection of wildlife habitats, the improvement, protection, and conservation of the wildlife and fish resources and the ecology of the area, the providing of open-space areas and areas for recreational use with open access to the public, the enhancement of the aesthetic appearance of the granted tidelands and submerged lands and the area, control of the dredging or filling, or both, of the granted lands, and prevention of pollution of the granted lands.

(b) The city, or its successors shall not at any time, grant, convey, give or alienate such lands, or any part thereof, to any individual, firm or corporation for any purposes whatever; provided, that the city, or its successors, may grant franchises thereon for limited periods, not exceeding 66 years, for wharves and other public uses and purposes, and may lease the lands, or any part thereof, for limited periods, not exceeding 66 years, for purposes consistent with the trusts upon which the lands are held by the state, and with the requirements of commerce and navigation, and collect and retain rents and other revenues from such leases, franchises and privileges. Such lease or leases, franchises and privileges may be for any and all purposes which shall not interfere with commerce and navigation. Nothing contained in this subdivision shall be deemed to affect the validity or term of any franchise granted by said city under the Franchise Act of 1937, and any such franchise shall be effective with

respect to the lands.

(c) Within 15 years from the effective date of this act, the lands shall be substantially improved by the city without expense to the state, and if the State Lands Commission determines that the city has failed to improve the lands as herein required, all right, title, and interest of the city in and to all lands granted by this act shall cease and the lands shall revert and rest in the state.

Nothing contained in this act, however, shall preclude expenditures for the development of the lands for any public purpose not inconsistent with commerce, navigation and fishery, by the state, or any board, agency or commission thereof, when authorized or approved by the city, nor by the city of any funds received for such purpose from the state or any board, agency or commission thereof.

(d) In the management, conduct, operation and control of said lands or any improvements, betterments, or structures thereon, the city or its successors shall make no discrimination in rates, tolls or charges for any use or service in connection therewith.

(e) The state shall have the right to use without charge any transportation, landing or storage improvements, betterments or structures constructed upon the lands for any vessel or other watercraft, aircraft, or railroad owned or operated by the state.

(f) There is hereby reserved to the people of the state the right to fish in the waters on the lands with the right of convenient access to the water over the lands for such purpose.

(g) There is hereby excepted and reserved in the state all deposits of minerals, as defined in Section 6407 of the Public Resources Code, in the lands, and to the state, or persons authorized by the state, the right to prospect for, mine, and remove such deposits from the lands.

(h) Such lands are granted subject to the express reservation and condition that the state may at any time in the future use the lands or any portion thereof for highway purposes without compensation to the city, its successors or assigns, or any person, firm or public or private corporation claiming under it, except that in the event improvements, betterments or structures have been placed upon the property taken by the state for such purposes, compensation shall be made to the person entitled thereto for the value of his interest in the improvements, betterments or structures taken or the damages to such interest.

(i) The State Lands Commission shall, at the cost of the city, survey and monument the granted lands and record a description and plat thereof in the office of the County Recorder of Santa Barbara County.

SEC. 2. Section 6 of Chapter 1044 of the Statutes of 1968 is amended to read:

Sec. 6. The City of Carpinteria shall establish a separate trust fund or funds on or before December 31, 1972, for deposit of all moneys or proceeds derived from the granted tidelands in the city. The city shall submit a financial report to the State Lands

Commission annually, on or before 90 days following the conclusion of the fiscal year for that fiscal year. This report shall include, but not be limited to, a balance sheet of the granted lands operations, an income statement showing the results of operations of the granted lands, and a statement of sources and applications of funds for the granted lands. The State Lands Commission may request, and the trustee shall furnish, any additional accounting information which may be needed for proper trust administration.

SEC. 3. Section 6.5 is added to Chapter 1044 of the Statutes of 1968, to read:

Sec. 6.5. Notwithstanding Sections 3 and 4 of this act, on and after January 1, 1979, the City of Carpinteria may not authorize a capital outlay project, lease, or agreement for port facilities, such as marine terminals, pipelines, or other related energy facilities, on the granted lands without first requesting and receiving approval, in writing, of the State Lands Commission. Such approval shall not be required for piers of which a substantial portion is devoted to recreational and fishing uses.

Prior to approving any project, lease, or agreement subject to this section, the State Lands Commission shall consult with other governmental agencies and shall determine whether such project, lease, or agreement is in and for the best interests of the people of the state and conforms to provisions of law and whether the allocation between the state and the trustee of any revenues generated as a result of such project, lease, or agreement will be in accordance with the provisions for allocation of excess revenues contained in Section 10 of this act.

SEC. 4. Section 7 of Chapter 1044 of the Statutes of 1968 is amended to read:

Sec. 7. Notwithstanding any other provision of law to the contrary, the city, acting either alone or jointly with another local or state agency, may use revenues accruing from or out of the use of the granted tidelands for any or all of the following purposes; provided, that they comply with the terms of the trust and are matters of statewide, as distinguished from local or purely private, interest and benefit:

(a) For the establishment, improvement and conduct of harbors, and for the construction, reconstruction, repair, maintenance, and operation of wharves, docks, piers, slips, quays, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient, for the promotion and accommodation of commerce and navigation.

(b) For all commercial and industrial uses and purposes, and the construction, reconstruction, repair and maintenance of commercial and industrial buildings, plants and facilities.

(c) For the establishment, improvement and conduct of airport and heliport or aviation facilities, including, but not limited to, approach, takeoff and clear zones in connection with airport runways, and for the construction, reconstruction, repair,

maintenance and operation of terminal buildings, runways, roadways, aprons, taxiways, parking areas, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary, or convenient for the promotion and accommodation of air commerce and air navigation.

(d) For the construction, reconstruction, repair and maintenance of highways, streets, roadways, bridges, belt-line railroads, parking facilities, power, telephone, telegraph or cable lines or landings, water and gas pipelines, and all other transportation and utility facilities or betterments incidental, necessary, or convenient for the promotion and accommodation of any of the uses set forth in this section.

(e) For the construction, reconstruction, repair, maintenance and operation of public buildings, public assembly and meeting places, convention centers, public parks, public playgrounds, public bathhouses and public bathing facilities, public recreation and public fishing piers, public recreation facilities, including, but not limited to, public golf courses, and for all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any such uses.

(f) For the establishment, improvement and conduct of small boat harbors, marinas, aquatic playgrounds and similar recreational facilities, and for the construction, reconstruction, repair, maintenance and operation of all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any of such uses, including, but not limited to, snackbars, cafes, cocktail lounges, restaurants, motels, hotels, and other forms of transient living accommodations open to the public, launching ramps and hoists, storage sheds, boat repair facilities with cranes and marine ways, administration buildings, public restrooms, bait and tackle shops, chandleries, boat sales establishments, service stations and fuel docks, yacht club buildings, parking areas, roadways, pedestrian ways and landscaped areas and other compatible commercial and recreational activities and uses.

(g) For the protection of wildlife habitats, the improvement, protection, and conservation of the wildlife and fish resources and the ecology of the area, the providing of open-space areas and areas for recreational use with open access to the public, the enhancement of the aesthetic appearance of the granted tidelands and submerged lands and the area, control of dredging or filling, or both, of the granted lands, and prevention of pollution of the granted lands.

(h) For the promotion, by advertising and such other means as may be reasonable and appropriate, of maximum public use of such granted tidelands or to encourage private investment in development of such granted tidelands for the highest and best use in the public interest.

(i) For any other uses or purposes of statewide, as distinguished from purely local or private, interest and benefit which are in fulfillment of those trust uses and purposes described in this act.

(j) For the acquisition of property and the rendition of services reasonably necessary to the carrying out of the uses and purposes described in this section, including the amortization or debt service of any capital improvement funding program which is consistent with the terms and conditions set forth in this act.

SEC. 5. Section 12 of Chapter 1044 of the Statutes of 1968 is amended to read:

Sec. 12. In the event that the city fails or refuses to file with the State Lands Commission any report, statement, or document required by any provision of this act within the time period specified by this act, or any extension period granted pursuant to this act within 30 days after written notice to the city, or fails or refuses to carry out the terms of the grant within 30 days after written notice to the city, the State Lands Commission shall within 60 days notify the Chief Clerk of the Assembly and the Secretary of the Senate.

The Attorney General shall, upon request of the State Lands Commission, after the city has been given such notice and after such failure or refusal by the city, bring such judicial proceedings for correction and enforcement as are appropriate, and shall act to protect any properties and assets situated on the granted tidelands or derived therefrom.

SEC. 6. Section 14 of Chapter 1044 of the Statutes of 1968 is amended to read:

Sec. 14. The State Lands Commission shall, on or before March 30 of each year, commencing on March 30, 1975, report to the Chief Clerk of the Assembly and to the Secretary of the Senate the full details of any transaction or condition reported to it pursuant to this act which it deems in probable conflict with the requirements of this act, or with any other applicable provision of law concerning these specific granted lands.
