

14. (Application for Lease of Tidelands - No. P.R.C. 155) Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to prepare for Commission consideration a lease for mineral extraction on tide and submerged lands off the Northern California coast between White Rock, Del Norte County and Rocky Point, Humboldt County, the lease to extend a distance of approximately twenty miles along the coast and to have a depth of three miles seaward. No operations are to be conducted within 1,000 feet of ordinary high water mark. Consideration to the State is to be on a sliding scale royalty with a minimum of 1/6 of the value of mineral extracted.

There being no further business to come before the Commission, the meeting was adjourned.
