

20. (Application to Dredge from Tide and Submerged Lands - San Francisco Bay, San Mateo County - W. O. 111) The Commission was informed that an application had been received from Johnson Western-American for a prospecting permit for the development of deposits of sand, clay and gravel to be dredged from San Francisco Bay in San Mateo County southerly from the San Francisco Airport; and that title to a portion of the area for which a prospecting permit is desired is in question and may have been conveyed without authority by the State prior to 1870.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Acting Executive Officer, in conjunction with the office of the Attorney General, to execute and issue to the Johnson Western-American a prospecting permit as applied for and to establish the royalties to be paid under any preferential lease issued as a condition subsequent to the prospecting permit of three cents per cubic yard for commercial materials removed from the State land and to provide that any royalties so paid be placed in escrow for disbursement to the legal owner as established by the outcome of a quiet title action to be filed against the purported owner of the subject land.

21. (Sale of Federal Land Obtained Through Use of Base) Upon motion duly made and unanimously carried, a resolution was adopted approving the filing of the indemnity selection of the lands with the Bureau of Land Management and the sale of the lands obtained thereby to the original applicants at the stated total value as shown on the attached Appendix "A".
