

A meeting of the State Lands Commission was held in Room 306 State Capitol, Sacramento, on March 19, 1948, at 10:00 A. M.

Present: Honorable James S. Dean, Chairman
Honorable Goodwin J. Knight, Member
Honorable Thomas H. Kuchel, Member.

1. Upon motion duly made and unanimously carried, the minutes of the meeting of the State Lands Commission held in Los Angeles on February 6, 1948, were approved and confirmed as submitted.
2. Upon motion duly made and unanimously carried, the matter of a date for the next meeting of the Commission was deferred for later determination of a specific date in April. The suggestion was made, however, that the meeting be held in Los Angeles.
3. (Geophysical Exploration - The Texas Company - Los Angeles and Orange Counties - W.O. 263) The Commission was informed that a request had been received from The Texas Company for a permit to conduct geophysical exploration operations on submerged lands between Point Fermin and the Huntington Beach pier, Los Angeles and Orange Counties, during the period March 1 to April 30, 1948, inclusive, that approval had been given to The Texas Company by the Fish and Game Commission for the use of explosives for the period March 6, 1948 to April 30, 1948 and that the statutory \$5.00 filing fee had been deposited with the State Lands Commission.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to execute and issue a permit to The Texas Company for the conduct of geophysical exploration operations on State submerged lands offshore between Point Fermin and Huntington Beach pier, Los Angeles and Orange Counties, during the period March 6, 1948 to April 30, 1948, inclusive, subject to the agreement of the applicant to indemnify and save the State free and harmless of and from any and all liability in any way arising out of or in connection with the proposed operations.

4. (Geophysical Exploration - The Texas Company - Santa Barbara and Ventura Counties - W.O. 264) The Commission was informed that a request had been received from The Texas Company for a permit to conduct geophysical exploration operations on submerged lands between Square Tower, Montecito and the entrance to Port Huoneme in Santa Barbara and Ventura Counties, respectively, during the period March 20 to June 20, 1948, inclusive, that approval had been given by the Fish and Game Commission for the use of explosives for the period March 20 to June 6, 1948, inclusive, and that the statutory \$5.00 filing fee had been deposited with the State Lands Commission.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to execute and issue a permit to The Texas Company for the conduct of geophysical exploration operations on State submerged lands offshore between Square Tower, Montecito, to the entrance to
