(WITHDRAWAL FROM PUBLIC SALE OF VACANT STATE SCHOOL LANDS, SAN DIEGO COUNTY - GEO.-SAN DIEGO CO.)

The Department of Fish and Game has reported that requests were filed in 1955 for the withdrawal by the U. S. Department of the Interior of certain public domain lands for wildlife purposes in the Otay Mountain and McCain Valley areas of San Diego County.

A public hearing was held on October 1, 1957 with respect to the proposed McCain Valley withdrawal containing approximately 38,690 acres of vacant unappropriated public lands. Should favorable action be taken on this withdrawal request, the Department of Fish and Game has planned to make application to purchase 640 acres of vacant State school land in Section 16, T. 15 S., R. 6 E., S.B.B. & M., San Diego County. The decision of the Hearing Officer of the Department of the Interior must be reviewed by the Secretary of the Interior before final action is taken, so it is anticipated that some time may elapse before there can be a notification to the Department of Fish and Game as to whether the withdrawal of public lands has been approved or disapproved. Therefore it is requested that the vacant State school lands in Section 16, T. 15 S., R. 6 E., S.B.B. & M., San Diego County, be withdrawn from public sale until such time as notification is received by the Department of Fish and Game from the Office of the Secretary of the Interior as to the action taken on the proposed withdrawal of the public lands involved.

Section 6210.2 of the Public Resources Code provides that "The commission may withdraw from sale any of the public lands belonging to the State and may restore any or all public lands so withdrawn, or other public lands, for sale."

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE WITHDRAWAL FROM PUBLIC SALE OF SECTION 16, T. 15 S., R. 6 E., S.B.B. & M., SAN DIEGO COUNTY, UNTIL JUNE 30, 1958.
