28. OIL AND CAS LEASING - GEN. DATA

à.

\$2 \$2

 \bigcirc

At the request of Commissioner Cranston for information on the sequential oil and gas leasing program, the Executive Officer reported:

1. At least one additional parcel would be presented for consideration for leasing at the February meeting of the Commission.

- 2. That a staff meeting was plauned with the staff of Santa Barbara County to discuss certain limitations relative to lease offers for areas east of Gaviota, Santa Barbara County.
- 3. Beginning with the February meeting, the Commission should be able to return to a step-by-step oil leasing schedule, except that inciequate gas transmistion lines in the Gaviota area might prompt a recommendation to defer indefinitely the receipt of bids on Parcel 6.
