6. Case No. 5 Original in the United States Supreme Court
United States vs. State of California
(Relating to the location of the offshore boundaries
between lands under the paramount jurisdiction of the
United States and lands owned by the State, for such
purposes as minerals.)

W.O. 4721

(The immediate issues raised are whether the old case of the United States vs. State of California, which has been dormant since December of 1952, is moot, or whether it can be reactivated despite the passage of the Submerged Lands Act of 1953.)

The United States and California have jointly requested that the Court modify its Order of December 2, 1963, fixing the time for filing Answer, Exceptions, and Briefs in this case, by adopting the following schedule: California's Answer to the Supplemental Complaint to be filed by March 2, 1964; both parties' Additional Exceptions to the Master's Report and Briefs in Support of Exceptions to be filed by April 1, 1964; and Responsive Briefs to be filed by both parties by May 15, 1964. It is anticipated that this joint request will be granted by the Court.
