The proposed Carpinteria Annexation No. 7 includes tide and submerged lands owned by the State and accordingly pursuant to Section 35014 of the Government Code the State Lands Commission is required to approve or disapprove the boundaries of the annexation in respect to the included State-owned tide and submerged lands.

The city has indicated that all land owners within the area sought to be annexed will consent to said annexation and the proceedings for the annexation will be conducted pursuant to Sections 35310.1, 35015, and 54797.1 of the Government Code.
