AUTHORIZATION TO TERMINATE APPLICATION
TO PURCHASE STATE LAND

BACKGROUND

A letter application was received from Poway Unified School District dated January 17, 1964, requesting that certain land located in San Diego County be withheld from sale. Various letters, at approximately 2-year intervals, were received from the District requesting that the land continue to be withheld from sale. The school land was appraised, and the District was notified in accordance with the California Administrative Code. The District failed to amend its offer to at least the appraised value.

CURRENT SITUATION

The District has advised staff that they are no longer interested in this parcel of State school land and wish to withdraw and cancel their application.
