20. PROPOSED ADOPTION OF ARTICLE 6.5 OF THE CALIFORNIA  
ADMINISTRATIVE CODE W 5125.9.

During consideration of Calendar Item 20 attached, Mr. William F. Northrop, Executive Officer, read part of a letter from Mr. Joseph Bodovitz, Executive Director of the Coastal Commission, on file in the office of the State Lands Commission. Mr. Bodovitz applauded the Commission's initiative and stated that he looked forward to working with the Commission.

Chairman Kenneth Cory stated that Ms. Betty Jo Smith, Commission-alternate, raised the question about tanker regulations. Mr. Northrop said that tanker regulations were presently not included but would be at a later date. Mr. R. C. Hight, Chief Counsel, advised that the tanker regulations would come before the Commission at a later date.

Mr. Stephen Mills, Staff Counsel, was then introduced to clarify some sections of the regulations.

Mr. Sid McCausland, Commission-alternate, stated he had previously made the suggestion that the regulations should not be adopted until the Division had met with the Coastal Commission. However, after discussing the rules and regulations with the Coastal Commission, it was his opinion the Division had done a good job in meeting most of the concerns and objections raised. With that he moved for adoption.

Mr. N. Gregory Taylor, Assistant Attorney General, stated that the State Lands Commission was the first agency to adopt coastal policies other than the Coastal Commission.

Upon motion duly made and carried, the resolution as presented in Calendar Item 20 was adopted by a vote of 3-0.

PROPOSED ADOPTION OF ARTICLE 6.5 OF THE  
CALIFORNIA ADMINISTRATIVE CODE

On July 22, 1976, the Commission authorized the staff of the State Lands Division to draft amendments to the California Administrative Code to protect the lands and resources under the jurisdiction of the State Lands Commission within the Coastal Zone. Pursuant to this authorization, a draft was prepared and public hearings were held on October 17, 18 and 19, 1976, in San Diego, Long Beach and San Francisco. Written comments were also accepted until November 10, 1976. Based on these comments the proposed regulations were revised, a fourth public hearing was held on January 25, 1977, and written comments were accepted until January 31, 1977. Minor changes were then made to put these regulations into their final form.

The purpose of this new article is to bring the State Lands Commission's regulations into conformity with those policies expressed in the California Coastal Act of 1976, and to integrate those policies with existing policies and procedures of the State Lands Commission.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT AN ENVIRONMENTAL IMPACT REPORT HAS NOT BEEN PREPARED FOR THIS ACTIVITY AS SUCH REPORT IS NOT REQUIRED UNDER THE PROVISIONS OF PRC 21065, 14 CAL. ADM. CODE 15037.
2. ADOPT AND APPROVE FOR FILING WITH THE OFFICE OF THE SECRETARY OF STATE, THE AMENDMENTS TO TITLE 2, DIVISION 3 OF THE CALIFORNIA ADMINISTRATIVE CODE, EXHIBIT "A" ON FILE WITH THE OFFICE OF THE STATE LANDS DIVISION.
3. FIND THAT THERE ARE NO STATE MANDATED LOCAL COSTS IN THIS REGULATION THAT REQUIRE REIMBURSEMENT UNDER SECTION 2231, OF THE REVENUE AND TAXATION CODE, BECAUSE THERE ARE NO NEW DUTIES, OBLIGATIONS, OR RESPONSIBILITIES IMPOSED ON LOCAL GOVERNMENT BY THIS REGULATION.
