AUTHORIZATION TO HOLD PUBLIC HEARING

Pursuant to Chapter 639 of the Statutes of 1973, the Legislature granted the bed of Clear Lake to the County of Lake. The granting statute requires that the County of Lake enforce the public trust over the bed of Clear Lake and use said lands in conformance with the public trust in a general statewide interest.

Section 12 of Chapter 639 states that the State Lands Commission shall, from time to time, institute a formal inquiry to determine that the terms and conditions of the chapter have been complied with and that all other applicable provisions of law concerning these specific granted lands are being complied with in good faith.

Section 13 of Chapter 639, states that the State Lands Commission shall file with the Legislature a report containing the facts concerning any acts that conflict with the requirements of Chapter 639 or any other provisions of law.

Evidence has been gathered by the staff of the State Lands Commission that indicates that there is serious question concerning the County of Lake's compliance with Chapter 639, in its execution of said Chapter 639, and its protection of the public trust.
