

FOURTH MODIFICATION OF THE 1977-1978 PLAN OF DEVELOPMENT
AND OPERATIONS AND BUDGET, LONG BEACH UNIT,
WELWINGTON OIL FIELD

The City of Long Beach has requested Commission approval of the Fourth Modification of the 1977-1978 Plan of Development and Operations and Budget for the Long Beach Unit, to include in the Plan the drilling of two Tar Zone wells and the redrilling of one additional well to another zone.

Budget funds to cover the cost of this drilling will be provided by transfers within the existing Budget, which will not require Commission approval. The total Unit Budget of \$82,737,000 remains unchanged.

This Fourth Modification ratifies the action taken by the Executive Officer on January 4, 1978, pursuant to Section 5(e), Chapter 138/1964, 1st E.S. and PART IV, Section A.1. of the Plan and Budget, consenting to modification of the Plan to provide for the drilling of two Tar Zone wells and the redrilling of one additional well to another zone.

The Commission staff has reviewed the Fourth Modification and finds the proposed drilling and redrilling appropriate for the continued development of the field.

IT IS RECOMMENDED THAT THE COMMISSION APPROVE THE FOURTH MODIFICATION OF THE PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET, LONG BEACH UNIT, JULY 1, 1977, THROUGH JUNE 30, 1978.

In accordance with PART IV A.4.c. of the 1977-1978 Plan and Budget for the Long Beach Unit, the following Plan Supplement for an additional project under \$100,000 has been approved by the General Manager, Department of Oil Properties, City of Long Beach and the Manager, Long Beach Operations, State Lands Commission, and is hereby reported to the Commission and incorporated in the Plan. Funding for this Plan Supplement has been provided by transfer within the existing Budget. Plan Supplements do not require action by the Commission.

Plan Supplement

Description

No. 5

Install additional tubing in Well C-418 to lower pump into liner. Estimated cost, \$11,915.
