PREREQUISITE TERMS, FEES AND EXPENSES:

Applicant is owner of upland.

STATUTORY AND OTHER REFERENCES:

A. P.R.C.: Div 6, Parts 1 & 2.

B. Cal. Adm. Code: Title 2, Div. 3.

OTHER PERTINENT INFORMATION:

1. During negotiations of the renewal of this lease lessee's attorney requested that the five year rent review provision of the Commission's standard lease be waived. Lessee's attorney based his request on the fact that the original lease contained no provision for rent review, and that the lease is for a relatively short period. The facilities located on State land could qualify for a Recreational Permit and the remainder of the lease area is wetlands not subject to development under provisions of the Delta Master Recreation Plan.
2. The proposed lease area is also subject to a perpetual spoils easement to the United States Army Corps of Engineers which would also affect any possible permanent development. Current uses of the filled area of the lease is as a lawn and garden area.
3. Because of the above and in support of settling long term negotiations in lieu of litigation, staff recommends to the Commission that the five-year rent review provisions contained in the Commission's Standard lease be waived.
4. An EIR is not required. This transaction is within the purview of 2 Cal. Adm. Code 2907, Class 1 (B), which exempts an existing structure or facility that is in an acceptable state of repair and there is not evidence of record to show injury to adjacent property, shoreline erosion, or other types of environmental degradation.

CALENDAR ITEM NO. C1. (CONTD)

5. This project is situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and is classified in a use category, Class B, which authorizes Limited Use.

Staff review indicates that there will be no significant effect upon the identified environmental values. This is an existing facility for which no adverse comments have been received.

EXHIBITS:           A. Land Description.           B. Location Map.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT AN EIR HAS NOT BEEN PREPARED FOR THIS ACTIVITY AS SUCH REPORT IS NOT REQUIRED UNDER THE PROVISIONS OF P.R.C. 21085, 14 CAL. ADM. CODE 15100 ET SEQ., AND 2 CAL. ADM. CODE 2907.
2. FIND THAT GRANTING OF THE LEASE AMENDMENT WILL HAVE NO SIGNIFICANT EFFECT UPON ENVIRONMENTAL CHARACTERISTICS IDENTIFIED PURSUANT TO SECTION 6370.1, OF THE P.R.C.
