APPROVAL OF SETTLEMENT OF
TITLE DISPUTE IN THE CITY OF EUREKA

In June of 1973, an agreement was entered into between the City of Eureka ("City") and the Northwestern Pacific Railroad Company ("Railroad") in resolution of title problems in the City of Eureka. The parcels in question are included within the perimeter descriptions of Tideland Survey's 1 and 8, are subject to the common law public trust for commerce navigation and fisheries, and all interest of the State of California was granted to the City of Eureka pursuant to Chapter 82 of the Statutes of 1857, Chapter 438 of the Statutes of 1915, Chapter 187 of the Statutes of 1927, Chapter 225 of the Statutes of 1943, and Chapter 1086 of the Statutes of 1970, as amended.

Following the acceptance by the city of a United States Economic Development Administration loan for a fish processing plant, the City undertook negotiations with the Railroad regarding acquisition of a suitable parcel. The resulting agreement contemplated the exchange of parcels and the lifting of the common law public trust from one of the parcels.

Pursuant to Chapter 1085 of 1970, the State Lands Commission is required to approve the settlement of any dispute or to the right, title, or interest in or to tide and submerged lands located within the City.

The essential elements of this settlement are:

1. The Railroad agreed to quitclaim to the City all of its right, title, and interest in and to that certain parcel of real property called "Parcel 2", described in Exhibit "B" to the Agreement, and located at Commercial and Second Streets.

3. The City transferred and conveyed to the Railroad the fee title subject to the common law public trust for commerce, navigation and fisheries to that parcel of real property called "Parcel 1", described in Exhibit "A" to the Agreement, and located at Wabash and Railroad Avenue.
4. The City has paid to the Railroad the sum of \$67,218 and has done certain foundation work on Parcel 1.
5. The City agreed to endeavor to cause to be released within 10 years, the common law public trust for commerce, navigation and fisheries on Parcel 1. It is for this release that the City now needs Commission approval.

The Office of the Attorney General and the Commission's staff recommend approval of this settlement. The settlement agreement is on file with the Office of the State Lands Commission.
