CALENDAR ITEM NO. C 0 2(CTND)

OTHER PERTINENT INFORMATION:

1. The applicant who purchased the upland and its appurtenant structures in April 1980, proposes to repair or rebuild the existing deteriorated residential structure, sheds, boathouse, boardwalk and pier to the extent that they will be essentially new structures when rebuilt. The residence structure extends partially and the boathouse and boardwalk are wholly on State land and have been located there for many years. The permit does not allow any additional residential or other appurtenant facilities other than those presently existing.
2. An EIR is not required. This transaction is within the purview of 14 Cal. Adm. Code Div. 6, Section 15102, which exempts reconstruction of existing structures and facilities.
3. This project is situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and is classified in a use category, Class B, which authorizes Limited Use.

Staff has coordinated this project with those agencies and organizations which nominated the site as containing significant environmental values. They have found this project to be compatible with their nomination.

APPROVALS OBTAINED:

None.

FURTHER APPROVALS REQUIRED:

United States Army Corps of Engineers,
