VENTURA COUNTY, UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA  
USDC NO. CV 81-1150-RJK(JRx)

The State of California is a party to a United States condemnation action brought by the United States Attorney entitled United States of America v. 85.13 Acres of Land, More or Less, etc., et al., Ventura County, filed in the United States District Court, Central District of California, USDC No. CV 81-1150-RJK(JRx) involving land in Ventura County to be used in connection with the Casitas Reservoir Open Space of the Ventura River project, California, of the Water and Power Resources Service, United States Department of the Interior.

Upon examination of the Commission's records pertinent to the area, there does not appear to be any ownership interest held by the State of California acting by and through the State Lands Commission as to the tracts of land described in the Complaint in Condemnation.

Inasmuch as this suit involves land over which the Commission has no ownership claims, it is recommended that a Disclaimer be filed on behalf of the State Lands Commission disclaiming any right, title or interest in the tracts involved in the subject condemnation.
