OTHER PERTINENT INFORMATION:

1. On March 31, 1966, the Commission approved as Minute Item No. 18 a lease to Thomas P. Raley for a marina at this site. The lease was never executed by Mr. Raley or the State Lands Commission and the proposed marina was never constructed.
2. On April 24, 1981, Mr. William F. Northrop, Executive Officer of the State Lands Commission issued a letter of temporary authorizations to construct and maintain a temporary mooring facility in conjunction with the opening of the Sacramento Railroad Museum. As a condition to the above, the applicant must obtain a General Lease - Commercial Use from the State Lands Commission.
3. Staff has been advised by Raley Properties and Crowley Maritime Corporation that in the event that continued use after the opening of the Sacramento Railroad Museum is feasible, permanent facilities will be designed and a long-term lease will be applied for.
4. This project is exempt from CEQA because it consists of construction and location of a single new small facility.

Authority: 14 Cal. Adm. Code, Section 15103.

5. This project is situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and is classified in a use category, Class B, which authorizes Limited Use.

Staff has coordinated this project with those agencies and organizations which nominated the site as containing significant environmental values. They have found this project to be compatible with their nomination.
