ACCEPTANCE OF LAND DONATION
CITY OF ARCATA, HUMBOLDT COUNTY

Murrish and Associates of Eureka as agent for Wendell Wyatt - trustee for George Steven Van Vleet, et al. has approached the staff, offering to donate to the State 31 $\frac{1}{2}$ acres at Arcata, Humboldt County.

The property, an old mill site, is irregular in shape, having access to South G, H and I Streets in Arcata. South G Street is old Highway 101. Significant portions (approximately 40 percent) of the property was in log ponds which have been identified as important wildlife habitat by the Department of Fish and Game and the Coastal Commission.

The Coastal Conservancy's Arcata Marsh restorations project is immediately west across I Street from the parcel.

The property was appraised August 31, 1981 by an independent appraiser, who has an MAI designation, at \$225,000. Neither the staff of the Commission nor the Attorney General has made a full appraisal of the property, but it is felt that this value is reasonable.

The property consists of Humboldt County Assessor's parcels 503-241-01, 503-241-05, 503-241-06 and 503-241-16 and is more particularly described in Exhibit "B" hereto. Title stems from swamp and overflow patents, although Butcher Slough which may have been natural and tidal, runs along the easterly boundary of the parcel.

The staff has no recommended plan for the parcel, but the donor, because of tax reasons, wants to gift the property before December 31, 1981.
