RENT REVIEWS/CONTINUATIONS

The leases set forth on the attached Exhibit "A" provide that the State may adjust the annual rental to a different amount for the five-year term following the fifth anniversary (and subsequent fifth anniversaries), effective on such anniversary date; or on subsequent anniversaries, provided that the lease notice requirements are met.

Staff reviewed the leases in accordance with the Commission's rental regulations (2 Cal. Adm. Code 2003) and is recommending that the Commission take the action indicated on Exhibit "A" for the items listed. Staff has notified the lessees of the changes to rentals as recommended herein within the time limits prescribed under the leases and has afforded each lessee the opportunity to comment on the proposed change.

The revisions to rental are exempt from CEQA because the activity is deemed to be a non-project as defined within the State CEQA Guidelines.

Lease PRC 5792.1, provides that the rental may be changed at the end of the first two years of the lease.
