APPROVAL OF  
LEASE UNDER CHAPTER 1095,  
STATUTES OF 1978, GRANTED LANDS,  
CITY OF EUREKA AND  
OREGON COAST TOWING COMPANY  
HUMBOLDT COUNTY

On October 1, 1972, the City of Eureka and Oil Terminals, Inc. entered into a lease agreement involving 5.41 acres of granted tide and submerged lands in South Humboldt Bay in Eureka, Humboldt County. The agreement provided for operation and maintenance of a fuel off-loading facility. The lease was for a five-year period, and was extended for an additional five years. The facility has remained in operation and Oil Terminals and Oregon Coast Towing Company has merged, with Oregon Coast being the survivor.

Oregon Coast and the City have extended the lease through September 30, 1989, and have requested the State Lands Commission approval as required by Chapter 1095 of the Statutes of 1978.

The extension agreement requires payment of back rental and provides for a yearly adjustment of rent based on the Consumer price index, San Francisco, California -- "All Urban Consumers", published by the United States Department of Labor, Bureau of Labor Statistics. All other terms and conditions remain as negotiated in 1972.
