STATE DEPARTMENT OF PARKS AND RECREATION
EMERGENCY LETTER OF PERMISSION

W 23253
PRC 6529

The State Department of Parks and Recreation (DPR) has requested permission from the State Lands Commission for operation of the Mono Lake Tufa State Reserve located on relicted land in Mono Lake, Mono County. The reserve was mandated by the Legislature in Senate Bill 83 (Chapter 670, Statutes of 1981) for the purpose of protecting the tufa and associated sand structures in Mono Lake.

DPR is presently operating the Reserve and has requested an emergency permit from the State Lands Commission. The permit is necessary to enable DPR to legally exercise its authority in operating the Reserve.

DPR has agreed to obtain a General Permit, Public Agency Use in accordance with Commission rules and regulations and has further agreed to obtain the necessary approval of all affected State, Federal or local agencies. DPR has already entered into an operating agreement with the Federal government which also claims an interest in the uncovered lakebed.

November 21, 1983

This project is exempted from CEQA as it involves actions necessary to prevent an emergency permit pursuant to 14 California Administrative Code, Division 6, Section 15269(c).

This project is situated on lands identified as possessing significant environmental values pursuant to PRC 6370.1 and is classified in a use category "B" which authorizes Limited Use. The project as proposed will not have a significant effect upon the identified environmental values.

Unless the Commission has objections, I will issue Department of Parks and Recreation the emergency letter permit.
