LEASE APPROVAL UNDER CHAPTER 1095,
STATUTES OF 1978 - GRANTED LANDS -
CITY OF EUREKA AND CHEVRON USA, INC.
HUMBOLDT COUNTY

BACKGROUND:

On October 1, 1972, the City of Eureka and Chevron USA, Inc., entered into a lease agreement involving approximately seven acres of sovereign land to be used for the purpose of petroleum loading and unloading and storage facilities used in connection therewith.

The lease was for a five-year period. The City extended the lease for one and two-year periods after expiration of the initial lease.

As a result of loans and commitments by the State to the City of Eureka, Chapter 1086, Statutes of 1970 was amended by Chapter 1095, Statutes of 1978 to require State Lands Commission approval of leases of granted tidelands by the City of Eureka if the lease had a term longer than one year.

The City and Chevron USA, Inc., have entered into a new ten-year lease effective October 1, 1983. The lease includes three five-year renewal options. The City secured an appraisal of the property and pursuant to that appraisal, the yearly rent is set at \$8,800 and is subject to annual adjustment which shall be equal to 105% of the previous year's annual rent. In addition, a throughput rent of 1.5 cents per barrel applies against the base rent until the base rent is equaled; thereafter the rate is one cent per barrel.

The staff of the Commission and the Attorney General's staff have reviewed the appraisal and lease document and feel that the agreement is fair and reasonable.

With a few minor changes in the lease language, the other terms and conditions remain as negotiated in 1972.

OTHER PERTINENT INFORMATION:

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Adm. Code 15061), the staff has determined that this activity is exempt from the requirements of the CEQA because the activity is not a "project" as defined by CEQA and the State CEQA Guidelines.
