AUTHORIZE APPROVAL OF SURVEY OF FOREST LANDS

PARTY: State Lands Commission
1807 13th Street
Sacramento, California 95814

BACKGROUND:

The High Peak Forest Management Unit consists of 5,400 acres of State School land in several parcels clustered just north of Potter Valley, 20 miles north of Ukiah in Mendocino County.

The timber management plan developed for this Unit calls for harvest of several million board feet of commercial sawtimber over the next several years as well as periodic reforestation and timber stand improvement activities.

Prior to selecting the route for an access road, it was necessary to establish boundaries of key parcels in Section 21, T18N R11W, MDM. Surveying and marking the boundaries was performed by staff, and a Record of Survey map has been prepared in accordance with State law.

AB 884: N/A
