AUTHORIZATION FOR ACCEPTANCE AND
RECORDATION OF GRANT DEED

APPLICANT: Allen and Barbara West
55 Main Street
Tiburon, California 94920

The Greenbrae Marina Property Owners Association, a homeowners' association, currently owns a 1 1/2-acre lot adjacent to Corte Madera Canal in Larkspur Marin County. The property is depicted on Exhibit "A" and described in Exhibit "B". This description may be subject to technical changes after further review by staff and the title company. The lot is entirely covered by water except for a 7 x 105-foot strip. This dry strip of land has served as a private access strip to the water-covered portion of the lot for the exclusive enjoyment of members of the property owners' association. In 1985, the Association voted to abandon the access strip and sell it to the adjoining property owners, Allen and Barbara West. A condition of this sale is for the Wests to purchase the entire parcel and then deed to an appropriate government authority the water-covered portion of the lot. The Wests contacted the State Lands Commission regarding the acceptance of the parcel, excepting from the water-covered portion, two strips of land being 20 feet and 23 feet in width, to be retained in fee by the Wests and the adjoining upland property owner for the continued use of their existing boat docks.

Staff has made an on-site inspection of the premises and determined the parcel being offered for acceptance is indeed water-covered and adjacent to State-owned Corte Madera Canal.

CALENDAR ITEM NO. C 09 (CONT'D)

Upon Commission acceptance, the deed parcel will take on the character and protections attaching to real property subject to the public trust and owned by the State in its sovereign capacity.
