BACKGROUND

1. The Commission approved a one-year proposed lease at its November 20, 1986 meeting for the temporary mooring of the Riverboat "Delta King" at the existing River Lines Pier, including some limited pier use.
2. On February 9, 1987, a portion of the Sacramento River floodwall under the River Lines Pier collapsed along with a portion of the adjacent pier. With concern for the safety of the Riverboat "Delta King" and fearing further pier collapse, the owners moved the riverboat upstream to the City's "Old Sacramento" lease area on February 11, 1987.

Although the riverboat was moved, Riverboat Delta King, Inc., continued to use a portion of the River Lines Pier, until approximately early August 1987, for storage of riverboat materials.

6. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. but will not affect those significant lands.
