AUTHORIZED THE ACCEPTANCE AND RECORDATION
OF A QUITCLAIM DEED FOR A PARCEL OF LAND
LOCATED IN THE CITY OF OAKLAND, ALAMEDA COUNTY

The purpose of this calendar item is house-cleaning. During a recent file review, it was discovered that the above-captioned Easement Deed had not been accepted and recorded. The following is a brief history of the transaction.

Pursuant to Statutes of 1981, Chapter 1016, Section Five, the Legislature terminated all of the State's sovereign public trust right, title, and interest, to the extent that any existed, in certain lands within the jurisdiction and control of the Port of Oakland, subject to a deed from the City of Oakland, acting by and through its Board of Port Commissioners, to the State of California, acting by and through the State Lands Commission, granting to the State a public trust easement for commerce, navigation, and fisheries, in other described lands owned by the Port. That Easement Deed was delivered to the Commission in accordance with the statutory requirement, but the Commission has not accepted the deed in writing or recorded it.

Staff therefore requests authorization to accept and record the Easement Deed granting to the State a public trust easement over those lands described in Exhibit "A" and shown on Exhibit "B" attached hereto.

Chapter 1028 further provided that the public trust easement so granted by the City to the State would be included within sovereign interests, the administration of which was granted to the City by Chapter 654, Statutes of 1911, as amended.
