Subject: O.R.E. Grubb & Ellis
The Northshore

Dear Sir:

On June 4, 1975, Wells Fargo Bank acquired title to the subdivision near Tahoe City known as The Northshore, Units One and Two by a deed in lieu of foreclosure.

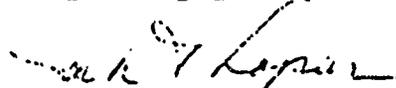

For some time Grubb & Ellis, the original developers, have had an application for the construction of a pier for the use of the owners within the subdivision. As the successors in interest to the original developer, we wish to inform you that it is our desire to assume the request for a permit for a pier currently in the name of Grubb & Ellis. Therefore, please amend the application currently on file with you to show Wells Fargo Bank as applicant for a pier at The Northshore.

We have retained Mr. Richard O. Clark to represent us at any hearings and attempt to secure a permit, as soon as it is possible.

The issuance of this permit is most important to the completion of the subdivision and to those owners currently in title there.

It is our hope that you will make all effort to make the permits available at an early date.

Very truly yours,

Jack F. Lopas

If you have any questions regarding this decision of the Board, please do not hesitate to contact this office at the above listed number.
