CESSION OF CONCURRENT CRIMINAL JURISDICTION
NATIONAL TRAINING CENTER AND FORT IRWIN
SAN BERNARDINO COUNTY

PARTY:

Department of the Army
Los Angeles District
Corps of Engineers
P. O. Box 2711
Los Angeles, California 90053-2325

Pursuant to Government Code Section 126, the State Lands Commission is authorized, on behalf of the State of California, to cede concurrent criminal jurisdiction to the United States upon finding:

(a) the land is held for the erection of forts, arsenals, and other needful buildings within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;

(b) the cession is in compliance with the laws of the United States;

(c) the United States has, in writing, requested such cession; and

(d) the State reserves jurisdiction over the land for purposes of water acquisition and management.

On April 10, 1991, Mr. P. W. Stone, Assistant Secretary of the Army, wrote Governor Wilson and requested a cession of concurrent criminal jurisdiction over the National Training Center and Fort Irwin pursuant to Government Code Section 126.

On May 1, 1991, the State Lands Commission authorized a public hearing for the purpose of determining whether it is in the best interest of the State to make the requested cession. Notice of the hearing was published in the Barstow Desert Dispatch and served upon the Clerk of the Board of Supervisors for San Bernardino County. Applications of the publication and service are found in the Commission's files.

The Hearing was held on May 24, 1991 in the Commission's offices in Sacramento, California. There were no personal appearances by any members of the public. The United States appeared by submitting written comments. The comments focused on the remoteness of the facility, its large civilian and military population, scarcity of sheriff's patrols, and the need for consistent and fair application of law to a mixed civilian and military population. The comments also reviewed the success of the current cession wherein the Army and a federal magistrate handle some criminal matters on the facility and thus relieve San Bernardino County Sheriff and District Attorney of some criminal cases.

The Commission staff believe that the cession of concurrent criminal jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over the facility.
