**CONSIDERATION OF APPROVAL OF PROPOSED EXPENDITURE
OF TIDELANDS TRUST FUNDS BY THE CITY OF SANTA BARBARA
FOR THE NAVAL RESERVE CENTER RENOVATION PROJECT
IN THE SANTA BARBARA HARBOR, CITY OF SANTA BARBARA
SANTA BARBARA COUNTY
PURSUANT TO PUBLIC RESOURCES CODE SECTIONS 6701, ET SEQ.,
AND CHAPTER 193, STATUTES OF 1975**

GRANTEE:

City of Santa Barbara
P.O. Box 1990
Santa Barbara, California 93102-1990

Pursuant to Chapter 78, Statutes of 1925, as amended by Chapter 13, Statutes of 1937, certain sovereign tide and submerged lands within the City of Santa Barbara were granted in trust to the City. By Chapter 9, Statutes of 1940, the City was authorized and did convey a specific parcel of those lands to the United States for use as a naval reserve armory.

At its July 19, 1993, meeting, Minute Item 32, the Commission consented to the expenditure of \$2.4 million of tidelands trust funds by the City in conjunction with the acquisition of the Naval Reserve Center.

The City is now seeking Commission authorization to spend an additional \$2.4 million of tidelands trust funds to renovate the Naval Reserve Center. Proposed uses include marine-related offices, a restaurant, maritime museum, and public meeting rooms.

The Commission has the authority to review the proposed expenditure of tidelands trust funds pursuant to Public Resources Code Sections 6701, et seq. (approval of trustee's contracts), and Chapter 193, Statutes of 1975, which requires Commission review of capital expenditures of trust funds by the City of Santa Barbara in excess of \$250,000.

CALENDAR ITEM NO. C35 (CONT'D)

Commission staff has reviewed the proposed project and the City's financial analysis, believes the proposed uses are consistent with the public trust and statutory trust under which these lands are held, and recommends that the Commission consent to the proposed expenditure.
