**CONSIDER AMENDMENT TO COMPROMISE TITLE SETTLEMENT AGREEMENT
BETWEEN THE CITY OF BENICIA
AND THE CALIFORNIA STATE LANDS COMMISSION**

PARTIES: City of Benicia
c/o Washburn, Briscoe & McCarthy
55 Francisco Street, Suite 600
San Francisco, California 94133
ATTN: Anne E. Mudge, Esq.

California State Lands Commission

BACKGROUND:

The Commission, at its regular meeting on March 1, 1995, approved a compromise title settlement between the City of Benicia (City) and the California State Lands Commission. The principal objects of the compromise settlement were to clarify the status of title to certain lands in the City, in order to provide secure land title for past and planned private development within the City, and to confirm the boundaries and status of certain lands granted to the City in trust for recognized public trust purposes.

The City has now requested that the previously approved settlement be modified to accommodate certain changes to development plans for the area and to incorporate changes to access requirements negotiated between the City and the San Francisco Bay Conservation and Development Commission (BCDC). The net effect of the changes proposed would be: (1) the area to be freed of the public trust to provide for private development would be reconfigured and comprise less acreage than originally contemplated, and (2) in exchange, the City would acquire title, in trust, to a significantly larger area than originally contemplated. The increase in public trust area is a result of the fact that more access improvements required by BCDC would be included within the trust area.
