**AREA, LAND TYPE, AND LOCATION:**

2640+ acres of State School land within the Ocotillo Wells State Vehicular  
Recreation Area, Purchase Price: \$800,000+, Imperial County.

**STATUTORY AND OTHER REFERENCES:**

- A. Public Resources Code sections: Division 6, Parts 1 and 2; Division 13;  
Division 7.7.
- B. California Code Regulations: Title 3, Division 3; Title 14, Division 6.

**OTHER PERTINENT INFORMATION:**

- 1. Pursuant to the Commission's delegation of authority and the State CEQA  
Guidelines (Title 14, California Code of Regulations, section 15061), the

staff has determined that this activity is exempt from the requirements of the CEQA as a statutorily exempt project. The project is exempt because it involves an action taken pursuant to the School Land Bank Act, Public Resources Code section 8700 et seq.

2. The Department of Parks and Recreation (DPR) is in the process of acquiring 28,300 acres of desert land in western Imperial County as an addition to Ocotillo Wells State Vehicular Recreational Area (OWSVRA). The land is divided into a number of ownerships, including the federal Bureau of Land Management, State school lands under the jurisdiction of the California State Lands Commission (CSLC), and several private landholders. The property is vacant and undeveloped and its historical use has been for off-highway vehicle recreation.
3. On August 12, 1991, the CSLC approved the sale of 4,331± acres of State School land to DPR for an addition to the OWSVRA. The consideration of \$596,606 was deposited in the School Land Bank Fund. Pursuant to concerns of The Desert Protection Council, Inc., Anza-Borrego Foundation, and the Anza-Borrego Desert Natural History Association, the CSLC retained an additional 160 acres from the sale. The collective concern of these organizations was the ability of the OWSVRA division to manage and protect the fragile geomorphic resources found on this property.
4. On April 16, 1996, CSLC staff received a request from DPR to purchase the 160-acre parcel. Staff had also received letters from the concerned organizations withdrawing their objections to the sale and supporting the transfer of the land to DPR for addition to the OWSVRA. Further discussions between DPR and CSLC resulted in an agreement of a negotiated price of \$18,000 for the 160-acre parcel. This request was approved by the CSLC on May 9, 1996.
5. CSLC has been advised that DPR currently has a 1998 FY appropriation available for the purchase of the subject lands to be included within the OWSVRA. The consideration of \$800,000±, current market value, will be deposited in the School Land Bank Fund to facilitate the management of school lands for the purpose of generating revenue and carrying out the goals of the School Land Bank Act.

**GENERAL PLAN**

**The California State Lands Commission (CSLC) proposes to sell 2,640+ acres of State school land to the Department of Parks and Recreation (DPR).**

**The DPR is acquiring approximately 28,300 acres of desert land in western Imperial County as an addition to Ocotillo Wells State Vehicular Recreation Area (OWSVRA). The land is divided into a number of ownerships, including the Bureau of Land Management, the CSLC and several large and small private landholders. The property is vacant and undeveloped and its historical use has been off-highway vehicle recreation. The addition of these lands to the OWSVRA will increase State-managed recreational opportunity, provide trail connections, trail development, potential camping opportunities and provide for interpretive programs.**
