**CONSIDER ACCEPTANCE OF THE FULL QUITCLAIM OF
OIL AND GAS LEASE NO. PRC 129.1
(254 ACRES OFFSHORE ELLWOOD OIL FIELD),
SANTA BARBARA COUNTY**

LESSEE:

Venoco, Inc.
Attn.: Mr. Edward J. O'Donnell
520 E. Montecito Street, Suite 9
Santa Barbara, CA 93101

AREA, LAND TYPE, AND LOCATION:

Oil and Gas Lease No. PRC 129.1 contains 254 acres of tide and submerged lands offshore Ellwood Oil Field, Santa Barbara County, California.

BACKGROUND:

Oil and Gas Lease No. PRC 129.1 (Lease) was issued to Signal Oil and Gas Company on January 27, 1944. Through a series of assignments, corporate mergers and name changes, the present lessee is Venoco, Inc. Under the terms of the Lease, the lessee is required to pay an annual rental of \$500 per year. Thirteen onshore wells were directionally drilled into Oil and Gas Lease No. PRC 129.1. All of these wells have been plugged and abandoned in conformance to State regulations.

Public Resources Code section 6804.1 and Lease paragraph 5 permit the lessee to make at any time a written quitclaim of all rights under the lease or of any portion of the leased lands comprising a ten-acre parcel or multiple thereof in a compact form. The quitclaim will be effective when it is filed with the State subject to approval by the Commission and the continued obligation of the lessee and its surety to pay all accrued rentals and royalties and to abandon all wells drilled on the leased lands.

CALENDAR ITEM NO. C48 (CONT'D)

On November 12, 1999, the Commission's Long Beach office staff received the document "(Full) Quitclaim Deed for State Oil and Gas Lease." This document was dated November 9, 1999, and quitclaims back to the State all of the lessee's right, title and interest in the leased lands described in Exhibit A of Oil and Gas Lease No. PRC 129.1 dated January 27, 1944.

A review of the Commission's files reveals that no default exists on the Lease, that the lessee has complied with all applicable laws and Lease provisions and has paid all rentals (no royalty is due as the wells have been abandoned).
