**OTHER PERTINENT INFORMATION:**

1. In 1988, the Commission approved a grazing lease, which expired September 30, 1997, for the parcel of State school land. The prior lessees did not apply for a new grazing lease because they terminated their cattle operation following the sale of their adjacent private property. The Applicants will be submitting an application to the Department of the Interior, Bureau of Land Management, and intend to use the State's school land parcel as base property in order to obtain a federal grazing allotment. In the event the Applicants are unsuccessful in obtaining a federal grazing allotment, then the Commission's grazing lease will terminate.

3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 4, Minor Alteration to Land Title 2, California Code of Regulations, section 2905 (d)(1).
