**TERMINATION OF GENERAL LEASE - RECREATIONAL PIER USE,  
TERMINATION OF GENERAL LEASE - PROTECTIVE STRUCTURE USE AND  
ISSUANCE OF A NEW GENERAL LEASE – RECREATIONAL AND PROTECTIVE  
STRUCTURE USE**

**LESSEES:**

Richard Joseph Schuster and Iris Mae Laffoon Schuster, As Co-Trustees of the Schuster Revocable Inter-Vivos Trust, U/D/T April 26, 1996

**APPLICANT:**

Iris M. Schuster, Trustee of the Schuster Residence Trust I and Trust II, Dated March 6, 2001

**AREA, LAND TYPE, AND LOCATION:**

Sovereign lands in Huntington Harbour, Huntington Beach, Orange County.

**AUTHORIZED USE:**

(1) The continued use and maintenance of an existing boat dock; (2) repair of an existing bulkhead that may include all or some of the following: (a) existing sheet pile repair; (b) replacement of sheet piles; and (c) installation of rock slope protection; (3) re-construction, use and maintenance of an existing cantilevered deck extending waterward of the existing bulkhead no more than five feet.

**LEASE TERM:**

Ten years, beginning December 8, 2005.

**CONSIDERATION:**

As to the boat dock, no monetary consideration pursuant to Public Resources Code section 6503.5; as to the repair of the bulkhead, the public health and safety with the State reserving the right at any time to set a monetary rent if the Commission finds such action to be in the State's best interest; as to the construction and maintenance of the cantilevered deck, \$900 year, with the State

CALENDAR ITEM NO. C65 (CONT'D)

reserving the right to fix a different rent periodically during the lease term, as provided in the lease.

**SPECIFIC LEASE PROVISIONS:**

Insurance:

Combined single limit coverage of no less than \$1,000,000.

**OTHER PERTINENT INFORMATION:**

1. Applicant owns the uplands adjoining the lease premises.
2. In 2000, the Commission authorized the issuance of a General Lease – Protective Structure Use, PRC 8239.9 to the Lessees for a ten-year term for bulkhead repairs and maintenance waterward and adjacent to their residence in Huntington Harbour. In 2001, the Commission authorized the issuance of a General Lease –Recreational Pier Use, PRC 8258.9, for a ten-year term to the Lessees for the continued use and maintenance of the boat dock adjacent to the residence. On March 28, 2001, the Lessees recorded a Trust Transfer Deed granting their interest in Lot 142 of Tract No. 5481 to the Applicant. The Applicant is now applying for a new General Lease – Recreational and Protective Structure Use for the proposed construction of a replacement deck that cantilevers five feet waterward of the existing bulkhead and 40 feet in length. This five-foot portion of the deck extends over the State’s fee title ownership in the Main Channel of Huntington Harbour. Staff is recommending that the two existing leases, PRC 8258.9 and PRC 8239.9, to the Lessees be terminated and the existing uses and proposed use be combined in one General Lease – Recreational and Protective Structure Use. As the cantilevered deck does not qualify for a rent-free lease, that portion of the deck extending over State fee ownership within the Harbour is subject to annual rental. The existing boat dock will remain rent-free as the Applicant qualifies for a rent free lease because she is natural person who has improved the littoral land with, and uses the upland for a single-family dwelling.
3. **As to the existing boat dock and bulkhead repairs and maintenance:** Pursuant to the Commission’s delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under

CALENDAR ITEM NO. C65 (CONT'D)

Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a) (2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

4. **As to the Cantilevered Deck:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 2, Replacement or Reconstruction; Title 2, California Code of Regulations, section 2905 (b).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
