Mr. Thayer also acknowledged the passing of Eve Bach, President of the Public Trust Group and her contributions and devotion to Public Trust issues. The Chair requested staff to bring a report to the Commission at its August meeting to review oil production operations in State waters and oil spill prevention activities both in State waters and as part of the Oil Spill Prevention program at oil terminal facilities. The Chair also requested staff investigate what further action, including regulations, might need to be strengthened so that the State can act promptly and effectively to prevent a spill. Lt. Governor Maldonado informed the Commission of a letter he had just received from Assembly Member Silva regarding cantilevered decks in Huntington Harbour. Staff explained the ongoing program of bringing under lease owners of adjacent land that had constructed decks overhanging the State owned Main and Midway Channels in Huntington Harbour.

Item 91: A staff presentation was made regarding consideration of a Boundary Line and Land Exchange Agreement involving certain parcels of land held in trust by the Port of Oakland located in the Oak Street to Ninth Avenue District and the former Oakland Army Base. Staff modified the staff report by clarifying the information describing the implementation and liability measures on pages 10 and 11. The 8th bullet point was stricken as duplicative and unnecessary given the 4th bullet point. In addition to the staff presentation, several members of the public, representing themselves and several groups, spoke in favor of and in opposition to the proposed agreement. A representative of the Port spoke in support.

Staff clarified that an earlier version of the staff report had mistakenly stated that approvals from the Corps of Engineers, Coastal Commission, Port District and Regional Water Quality Control Board had been obtained. The report was corrected to state that those approvals were required to be obtained as a condition of the lease. Irene McCormack representing the Port of San Diego spoke in support of staff’s recommendation. Lee Strieb representing UNITE HERE spoke in opposition.
