**OTHER PERTINENT INFORMATION:**

1. Applicant owns the uplands adjoining the lease premises.
2. On August 11, 2009, the Commission approved a 10-year General Lease – Recreational Use with Chambers Landing No. II Homeowners Association (Association), for the continued use and maintenance of an existing pier, 46 mooring buoys, two swim areas, and two marker buoys, and the retention of one speed limit buoy. That lease will expire October 7, 2018.
3. In mid 2010, the Association had a survey of the lease lands and the location of their facilities. After staff's review of the survey, it was found that the pier occupies a larger area of State sovereign land and the size and location of the two swim areas were different configurations and located more waterward than what was previously approved by the Commission. The Lessee is now applying to amend its lease to correct the size and locations of its facilities and to retain two existing swim floats located inside the larger swim area.
4. Based on the amended lease area, staff recommends amending the lease to correct the size and location of the Lease Premises. As a result, the annual rent has been increased to \$18,488, effective October 8, 2011.
5. **Amendment of Lease:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined this activity is not subject to the provisions of CEQA because it is not a "project" as defined by CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.

6. **Retention of Two Swim Floats:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 3, New Construction of Small Structures; Title 2, California Code of Regulations, section 2905 (c)(4).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
