GENERAL LEASE - RECREATIONAL USE

APPLICANTS:

Reid W. Dennis and Margaret E. Dennis, Trustees, or Successor Trustees, under the Reid and Margaret Dennis Living Trust U/A/D July 7, 1989

AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 1340 West Lake Boulevard, Tahoe City, Placer County.

AUTHORIZED USE:

Continued use and maintenance of an existing pier and two boathouses previously authorized by the Commission and three boat lifts and one boat hoist not previously authorized by the Commission.

LEASE TERM:

10 years, beginning May 24, 2012.

CONSIDERATION:

\$4,431 per year, with the State reserving the right to fix a different rent periodically during the lease term, as provided in the lease.

SPECIFIC LEASE PROVISIONS:

Liability insurance in the amount of no less than \$1,000,000.

OTHER PERTINENT INFORMATION:

1. Applicants own the upland adjoining the lease premises.
2. On February 6, 1989, the Commission authorized a Recreational Pier Permit with Reid W. Dennis. That permit expired on February 5, 1999. On December 27, 1995, the ownership of the upland parcel was transferred to Reid W. Dennis and Margaret E. Dennis, Trustees, or Successor Trustees, under the Reid and Margaret Dennis Living Trust U/A/D July 7, 1989. Applicants are now applying for a new General Lease - Recreational Use.

CALENDAR ITEM NO. **C38** (CONT'D)

3. On October 8, 2011, Chapter 585, Statutes of 2011 became law. The law became effective January 1, 2012. This new law repeals section 6503.5 of the Public Resources Code, which had allowed rent-free use of State-owned land by certain private parties for their recreational piers. It replaced the former section with a new section 6503.5 which provides that the State Lands Commission “shall charge rent for a private recreational pier constructed on state lands.” The law provides for two exceptions to the imposition of rent. Those exceptions are for:
 - A. A lease in effect on July 1, 2011 through the remaining term of that lease. If a lease in effect on July 1, 2011 expires or is otherwise terminated, any new lease will be subject to rent; and
 - B. A lease for which the lease application and application fees were submitted to the Commission prior to March 31, 2011.

Because the application was not submitted to the Commission prior to March 31, 2011, the lease does not meet the statutory requirements for an exception to recently-enacted changes to Section 6503.5 of the Public Resources Code.

4. The Applicants’ three boat lifts and one boat hoist located in the two boathouses have been in Lake Tahoe for many years but have not been previously authorized by the Commission. Staff recommends bringing the placement of the Applicants’ three boat lifts, and one boat hoist under lease.
5. Pursuant to the Commission’s delegation of authority and the State CEQA Guidelines (Cal. Code Regs., tit. 14, § 15061) the staff has determined that this activity is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
