STAFF ANALYSIS AND RECOMMENDATION:

Statutory Authority:

Public Resources Code sections 6005, 6216, 6301, and 6503.5; California Code of Regulations, Title 2, section 2000, subdivision (b).

Public Trust and State's Best Interests Analysis:

The subject facilities are for the docking and mooring of boats. Recreational boating is a water-dependent use that is generally consistent with the common law public trust doctrine. The California Legislature has identified private recreational boating facilities as an authorized use of public trust lands (Pub. Resources Code, § 6503.5).

The subject facilities have existed for many years at this location. The pier is built on a flat and sandy part of the shore. The upland houses are on large lots. The topography and upland structures provide sufficient space for both the pier and other trust activities. Construction of the pier allows the public to walk or navigate under or around the pier. The buoy is located directly lakeward of the upland property and occupies a relatively small area of the lake.

The proposed lease does not alienate the State's fee simple interest or permanently impair public rights. The lease is limited to a 10-year term, does not grant the Lessee exclusive rights to the lease premises, and reserves an easement to the public for public trust consistent uses. Upon termination of the lease, the Lessee may be required to remove all improvements from State land.

The proposed lease requires the Lessee to insure the lease premises and indemnify the State for any liability incurred as a result of the Lessee's activities thereon. The lease also requires the payment of annual rent to compensate the people of the State for the use of public land. For all the reasons above, Commission staff believes the issuance of this lease is consistent with the common law public trust doctrine, will not substantially interfere with the public trust needs at this location, at this time, and for the foreseeable term of the proposed lease, and is in the best interests of the State.

OTHER PERTINENT INFORMATION:

1. Applicant owns the upland adjoining the lease premises.

CALENDAR ITEM NO. **C13** (CONT'D)

2. On June 24, 2008, the Commission authorized a 10-year Recreational Pier Lease to Claburn Niven Jones and Joan Leverington Jones as Trustees of the Jones Family Trust dated March 13, 2007; Nena Jones Brogan, Trustee, of the Brogan Living Trust dated November 1, 1984; Edgar Mark Jones, Trustee, of the Jones Family 2002 Trust dated May 8, 2002; Claburn Jones and Dougal Jones, Co-Trustees of the Linda Jones Falk Bypass Trust U/A/D March 28, 2000. Since issuance of the lease, staff has discovered the interest in the upland granted to Claburn Niven Jones and Joan Leverington Jones as Trustees of the Jones Family Trust dated March 13, 2007 was incorrectly recorded. The lease should have been issued to Claburn Niven Jones as Trustee of the Jones Family Trust dated March 13, 2007, as amended. That lease will expire on April 11, 2018.
3. The portion of the interest in the upland held by the Linda Jones Falk Bypass Trust U/A/D March 28, 2000, has since transferred to Jones GST – Exempt Family Trust FBO Edgar Mark Jones, Edgar Mark Jones and First Republic Trust Company, Cotrustees; Jones GST – Exempt Family Trust FBO Nena Jones Brogan, Nena Jones Brogan and First Republic Trust Company, Cotrustees; and Jones GST – Exempt Family Trust FBO Claburn Niven Jones, Claburn Niven Jones and First Republic Trust Company, Cotrustees. The Applicant is now applying for a General Lease – Recreational Use. The Lessee has requested termination of the lease.
4. On October 6, 1977, the Tahoe Regional Planning Agency (TRPA) issued a permit for the construction of the pier and placement of one mooring buoy adjacent to the upland parcel. The TRPA permit is currently valid.
5. This action is consistent with Strategy 1.1 of the Commission's Strategic Plan to deliver the highest levels of public health and safety in the protection, preservation, and responsible economic use of the lands and resources under the Commission's jurisdiction and Strategy 1.3 to promote, expand, and enhance appropriate public use and access to and along the State's inland and coastal waterways.
6. Termination of the lease is not a project as defined by the California Environmental Quality Act (CEQA) because it is an administrative action that will not result in direct or indirect physical changes in the environment.

Authority: Public Resources Code section 21065 and California Code of Regulations, Title 14, section 15378, subdivision (b)(5).

CALENDAR ITEM NO. **C13** (CONT'D)

7. The staff recommends that the Commission find that issuance of the lease is exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; California Code of Regulations, Title 2, section 2905, subdivision (a)(2).

Authority: Public Resources Code section 21084 and California Code of Regulations, Title 14, section 15300 and California Code of Regulations, Title 2, section 2905.

8. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

PUBLIC TRUST AND STATE'S BEST INTERESTS:
