STAFF REPORT NO. **C20** (CONT'D)

Partnership, for an existing pier and two mooring buoys ([Item 18, December 5, 2012](#)). That lease will expire on December 4, 2022.

Staff conducted the rent review called for in the lease and recommends the rent be revised from \$1,291 per year to \$1,013 per year based on changes to the lease (impact) area for the pier and application of the Lake Tahoe Benchmark. Staff also recommends the lease be amended to reflect the new reduced lease area.

The lease does not alienate the State's fee simple interest or permanently impair public rights. The recommended action will not substantially interfere with the Public Trust needs at this time and at this location. For these reasons, staff recommends finding the proposed actions are in the best interests of the State.

**OTHER PERTINENT INFORMATION:**

1. This action is consistent with Strategy 2.2 of the Commission's Strategic Plan to ensure timely receipt of revenues and royalties from the use and development of State lands and minerals.
2. Amendment of the lease to make an adjustment in the lease area and approving the revision of the rent are not projects as defined by the California Environmental Quality Act because they are administrative actions that will not result in direct or indirect physical changes in the environment.

Authority: Public Resources Code section 21065 and California Code of Regulations, title 14, section 15378, subdivision (b)(5).
