Port of Oakland – Fiscal Year 2013-14 Responses (Supplement)

Response to Question #3c:

The Port's capital improvement expenditures in 2013-14 exceeded \$250,000, and in FY 2014-15 it is anticipated that they will again exceed this amount.

Response to Question #3d:

The Port, pursuant to a Memorandum of Understanding (MOU) between the Port and City dated July 1, 1983, as amended and supplemented, reimburses the City for the operation and maintenance of Lake Merritt (a tidelands grant area). The reimbursement includes the costs for grounds and facilities maintenance, security, algae control and recreational services. The amount paid is limited to the lesser of actual costs or a maximum amount set forth in the MOU that adjusts each year by CPI. In FY 2014, the reimbursement to the City for Lake Merritt expenses was \$1,203,673.

In the course of normal business, the Port also periodically disposes, donates or sells miscellaneous obsolete, worn-out and broken equipment. In FY 2014, this included (i) various vehicles; (ii) two boiler units; (iii); and a fire truck. In aggregate, the Port netted approximately \$92,000 from the disposition of this property.

Response to Question #4:

Please see "Statements of net Position" on page 18 of the Port's FY 2013-14 CAFR. The beginning and ending balances in the Port Revenue Fund are listed as the "Unrestricted Cash equivalents". At the end of 2013-14 this amount was \$202.5 million, while at the end of 2012-13 (or the beginning of 2013-14) it was \$179.4 million.
