MEMORANDUM

Date: December 2, 2015
To: Michaela Moser, CA State Lands Commission
From: Janet M. Luzzi, Finance Director
Re: Annual Report – Granted Public Trust Lands

In connection with the filing of the Standardized Reporting Form for Granted Public Trust Lands, please note the following expanded reply or comment:

1 a) The City of Arcata does not maintain a separate fund for the tidelands lease revenue for two main reasons:
   - The City’s chart of account structure has a limited number of funds
   - The revenue is insignificant and does not warrant its own fund

   I have discussed this problem with SLC staff and in an effort to comply with state law requiring that these funds be segregated, I created a separated account within the City’s main trust fund. Please see attached screen shot of the State Lands Commission Lease Revenue Account (520-00-00-24062)

1 b) The City does not issue separate financial statements for this revenue. Because of the immateriality of this revenue, there is no information which can be viewed in the City’s Annual Financial Statements regarding the tideland lease revenue. The revenue for 2014/15 has been deposited into a trust account which for presentation purposes is included in the General Fund. We are working to finalize the financial statements for fiscal year 2014/15. I will forward these as soon as they are completed.
