area of said improvement district as the same existed at the
time of the bond election.

SEC. 2. This act is an urgency measure necessary for the
immediate preservation of the public peace, health or safety
within the meaning of Article IV of the Constitution and shall
go into immediate effect. The facts constituting such necessity
are:

To provide adequate water service for domestic, municipal
and industrial uses within rapidly growing areas it is essential
that the County Water District Law be immediately amended
to permit the issuance and sale of revenue bonds within an
improvement district of a county water district. Such revenue
bonds are the most practical method of financing urgently
needed capital improvements, and it is imperative that the
matters relating to revenue bonds and elections regarding the
issuance of such bonds in improvement districts be amended
so that proposed projects may be initiated without delay.
