The people of the State of California do enact as follows:

SECTION 1. Section 8575 of the Education Code is amended to read:

8575. The State Board of Education shall, on or before July 1, 1970, prepare, and distribute to each school district maintaining a high school for its consideration, model minimum academic standards for graduation as required by Section 8574 of this code.

CHAPTER 1374

An act to add Section 22123 to the Water Code, relating to irrigation districts.

[Approved by Governor September 2, 1969 Filed with Secretary of State September 2, 1969]

The people of the State of California do enact as follows:

SECTION 1. Section 22123 is added to the Water Code, to read:

22123. Any district providing electric power to areas outside its boundaries shall be subject to reasonable rules, regulations, and orders of the governing body of the city or county area being served, but, in no event, more restrictive than the rules, regulations, and orders of the Public Utilities Commission upon utilities providing electric power to cities or counties. No district may impose rates, rules, regulations, or orders in any such area outside its boundaries which are different from rates, rules, regulations, or orders imposed within the district, except with the consent of the governing body of the affected area.

CHAPTER 1375

An act to amend Section 1 of Chapter 497 of the Statutes of 1959, relating to tide and submerged lands granted in trust to the County of Marin.

[Approved by Governor September 2, 1969 Filed with Secretary of State September 2, 1969]

The people of the State of California do enact as follows:

SECTION 1. Section 1 of Chapter 497 of the Statutes of 1959 is amended to read:

Section 1. There is hereby granted to the County of Marin, and to its successors, all of the right, title, and interest of the State of California, held by said state by virtue of its sovereignty in and to all of the tide and submerged lands, filled or unfilled, bounded and described as follows:
Parcel A

All that land within the unincorporated area of the County of Marin, lying within Richardson Bay as shown upon the Board of Tide Land Commissioners' "Map No. 1 of the Salt Marsh and Tide Lands Situate in the County of Marin, State of California" dated 1870, on file in the office of the State Lands Commission at Sacramento, designated as Saucelito Basin and those areas designated as Brickyard, Oyster, Salt Works, Rosedale and Coyote Canals and that portion of Saucelito Canal lying southeasterly from Courses Nos. 160 and 161 of "Meanders at Ordinary High Tide" as tabulated on Table I of said Map No. 1, and those areas designated as Monterey, Sonoma, Waldo, Myrtle, Yuba, Grove, Eureka, Pescadero, Madrona, Manzanita, Teutonia, Oro, Fresno, Shasta, Yolo, Parepa, Pohono, Esmeralda, Tulare, Owyhee, Coyote and Canal Streets, and all the street areas normal to the aforementioned streets at present known and referred to as Tomales, Bolinas, Petaluma, Humboldt, Donahue and Railroad Avenues, including Railroad Avenue lying between Coyote Canal and Rosedale Canal and each of the undesignated areas lying between Railroad Avenue and Blocks 169, 195 and 232.

Parcel B

All that land lying within Gallinas Canal (including the north and south forks thereof) as shown on the Board of Tide Land Commissioners' "Map No. 3 of Salt Marsh and Tide Lands Situate in the County of Marin, State of California" dated 1871 on file in the office of the State Lands Commission at Sacramento, lying westerly from a line drawn between the southeasterly end of Course No. 1 and the northeasterly end of Course No. 87 as said courses are tabulated on said Map No. 3 in the Table entitled "Meanders of Gallinas Canal".

Parcel C

All that land within Richardson Bay and within the City of Belvedere designated upon the Board of Tide Land Commissioners' "Map No. 1 of Salt Marsh and Tide Lands Situate in the County of Marin, State of California" dated 1870, on file in the office of the State Lands Commission at Sacramento, as Middle and East Canals and that portion of Saucelito Basin more particularly described as follows:

Beginning at the most westerly corner of Lot 382 as shown upon said Map No. 1, thence running southeasterly along the southwesterly lines of Lots 382, 388, 389 and 390 to the beginning of Course No. 328 of the "Meanders at Ordinary High Tide" as tabulated in Table I of said Map No. 1; thence continuing southeasterly along the "Meanders at Ordinary High Tide" to the southeasterly end of Course No. 342; then westerly to the northeasterly end of Course No. 47 of the "Mean-
ders of the Line of Nine Ft. Depth at the Lowest Tide” as tabulated in Table III of said Map No. 1; then southwesterly along said Course No. 47 to a point on the southwesterly limits of the City of Belvedere; then northwesterly along said limits of the City of Belvedere to the point of beginning.

To be forever held by said county, and its successors, in trust for the uses and purposes and upon the express conditions following, to wit:

(a) That said lands shall be used by said county, and its successors, for purposes in which there is a general statewide interest as follows:

(1) For the establishment, improvement and conduct of a harbor, and for the construction, reconstruction, repair, maintenance, and operation of wharves, docks, piers, slips, quays, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of commerce and navigation.

(2) For the establishment, improvement and conduct of an airport and heliport or aviation facilities, including but not limited to approach, takeoff and clear zones in connection with airport runways, and for the construction, reconstruction, repair, maintenance and operation of terminal buildings, runways, roadways, aprons, taxiways, parking areas, and all other works, building, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of air commerce and air navigation.

(3) For the construction, reconstruction, repair and maintenance of highways, streets, roadways, bridges, belt line railroads, parking facilities, power, telephone, telegraph or cable lines or landings, water and gas pipelines, and all other transportation and utility facilities or betterments incidental, necessary or convenient for the promotion and accommodation of any of the uses set forth in this Section 1.

(4) For the construction, reconstruction, repair, maintenance and operation of public buildings, public assembly and meeting places, convention centers, parks, playgrounds, bathhouses and bathing facilities, recreation and fishing piers, public recreation facilities, including but not limited to public golf courses, and for all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any such uses.

(5) For the establishment, improvement and conduct of small boat harbors, marinas, aquatic playgrounds and similar recreational facilities, and for the construction, reconstruction, repair, maintenance and operation of all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any of such uses, including but not limited to snackbars, cafes, restaurants, motels, hotels, launching ramps and hoists, storage sheds, boat repair facilities with cranes and marine ways, administration buildings, public restrooms, bait and tackle
shops, chandleries, boat sales establishments, service stations and fuel docks, yacht club buildings, parking areas, roadways, pedestrian ways and landscaped areas.

(6) For the establishment, preservation, restoration, improvement, or maintenance of intertidal and subtidal marine biological reserves, restoration and maintenance of shellfish and related fishery resources, development of nature study trails and areas, exhibits, research projects, preservation of areas of unique marine phenomena for water sports, and the natural beauty and biological resources and activities related thereto, subject to the prior approval of the Fish and Game Commission as to those matters which are subject to regulation by the commission pursuant to the Fish and Game Code.

(b) Said county, or its successors shall not, at any time, grant, convey, give or alienate said lands, or any part thereof, to any individual, firm or corporation for any purposes whatever; provided, that said city, or its successors, may grant franchises thereon for limited periods, not exceeding 55 years, for wharves and other public uses and purposes, and may lease said lands, or any part thereof, for limited periods, not exceeding 55 years, for purposes consistent with the trusts upon which said lands are held by the State of California, and with the requirements of commerce and navigation, and collect and retain rents and other revenues from such leases, franchises and privileges. Such lease or leases, franchises and privileges may be for any and all purposes which shall not interfere with commerce and navigation.

Nothing contained in this paragraph (b) shall be deemed to affect the validity or term of any franchise granted by said county under the Broughton Act, and any such franchise shall be effective with respect to said lands when title thereto passes to said county hereunder.

(c) Said lands shall be improved without expense to the state; provided, however, that nothing contained in this act shall preclude expenditures for the development of said lands for any public purpose not inconsistent with commerce, navigation and fisheries, by the state, or any board, agency or commission thereof, when authorized or approved by the county, nor by the county of any funds received for such purpose from the state or any board, agency or commission thereof.

(d) In the management, conduct, operation and control of said lands or any improvements, betterments, or structures thereon, the county or its successors shall make no discrimination in rates, tolls or charges for any use or service in connection therewith.

(e) The State of California shall have the right to use without charge any transportation, landing or storage improvements, betterments or structures constructed upon said lands for any vessel or other watercraft or railroad owned or operated by the State of California.

(f) There is hereby reserved to the people of the State of California the absolute right to fish in the waters of said lands
with the right of convenient access to said waters over said lands for said purposes.

(g) There is hereby excepted and reserved to the State of California all deposits of minerals, including oil and gas, in said land, and to the State of California, or persons authorized by the State of California, the right to prospect for, mine, and remove such deposits from said land.

(h) The lands herein described are granted subject to the express reservation and condition that the state may at any time in the future use said lands or any portion thereof for highway purposes without compensation to the county, its successors or assigns, or any person, firm or public or private corporation claiming under it, except that in the event improvements, betterments or structures have been placed upon the property taken by the state for said purposes, compensation shall be made to the person entitled thereto for the value of his interest in the improvements, betterments or structures taken or the damages to such interest.

(i) That within 10 years from the effective date of the amendment to this act enacted at the 1969 Regular Session of the Legislature said lands shall be substantially improved, restored, preserved, or maintained by said county without expense to the state, and if the State Lands Commission determines that the county has failed to improve, restore, preserve, or maintain said lands as herein required, all right, title, and interest of said county in and to all lands granted by this act shall cease and all right, title, and interest in said lands shall revert and rest in the state. All restoration, preservation, or maintenance shall be effected in accordance with a plan therefore, approved by the State Lands Commission.

CHAPTER 1376

An act to amend Section 22825 of the Government Code, relating to the Meyers-Geddes State Employee's Medical and Hospital Care Act.

[Approved by Governor September 2, 1969. Filed with Secretary of State September 2, 1969]

The people of the State of California do enact as follows:

SECTION 1. Section 22825 of the Government Code is amended to read:

22825. The employer and each employee or annuitant shall contribute a portion of the cost of providing for each employee and annuitant the benefit coverage afforded under any health benefit plan which the board has approved or for which it has executed a contract pursuant to this part, and in which the employee or annuitant may be enrolled.
