(g) That within 10 years from the effective date of this act said lands shall be substantially improved by said district without expense to the State, and if the State Lands Commission determines that the district has failed to improve said lands as herein required, all right, title, and interest of said district in and to all lands granted by this act shall cease and said lands shall revert and rest in the State.

Sec. 2. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

Sec. 3. Nothing contained in this act shall preclude the district from accepting and retaining any grant of funds from the State made available for the purpose of aiding in the development of said lands for any public purpose not inconsistent with the promotion and accommodation of commerce and navigation, or shall preclude the State from expending funds for the purpose of aiding in such development.
