[Approved by Governor August 27, 2004. Filed with  
Secretary of State August 30, 2004.]

*The people of the State of California do enact as follows:*

SECTION 1. The Legislature finds and declares all of the following:

(a) Subdivision (h) of Section 1 of Chapter 415 of the Statutes of 1975 directed the County of Orange and the State Lands Commission to provide certain described lands in Upper Newport Bay to the Department of Fish and Game for the establishment, improvement and conduct of an ecological reserve, or wildlife refuge, or both, and other compatible uses.

(b) Subdivision (h) of Section 1 of Chapter 74 of the Statutes of 1978 authorized the City of Newport Beach to transfer portions of the lands conveyed to it by that act to the State Lands Commission for lease to the Department of Fish and Game for an ecological reserve or wildlife refuge, or both, and other compatible uses to be undertaken by the department. Subdivision (c) of Section 2 of Chapter 74 of the Statutes of 1978 further authorized the City of Newport Beach to acquire real property for purposes of enhancing lands administered by the Department of Fish and Game pursuant to Chapter 415 of the Statutes of 1975.

(c) The Upper Newport Bay Ecological Reserve has been established as an ecological reserve under the provisions of Article 4 (commencing with Section 1580) of Chapter 5 of Division 2 of the Fish and Game Code.

(d) Chapter 715 of the Statutes of 1984 authorizes the County of Orange and the City of Newport Beach to expend revenues from leases of certain described tide and submerged lands surrounding Harbor Island in Lower Newport Bay for purposes of enhancing the Upper Newport Bay Ecological Reserve.

(e) Section 2 of Chapter 317 of the Statutes of 1997 directed the City of Newport Beach to establish funds, including a Tideland Capital Fund and an Upper Newport Bay Restoration Fund, and authorizes the city to use the money in those funds on certain described lands administered by the Department of Fish and Game and other lands made subject to the public trust pursuant to that act and located in Upper Newport Bay.

(f) In addition to the lands granted by the Legislature to the County of Orange pursuant to Chapter 415 of the Statutes of 1975, the county has acquired additional lands adjacent to the Upper Newport Bay Ecological Reserve and desires to make these lands assets of the public trust and the legislative trust created by Chapter 526 of the Statutes of 1919, as amended by Chapter 415 of the Statutes of 1975. The State Lands Commission has approved the inclusion of these lands to be held as assets of those trusts and desires legislative adoption of the lands as trust assets.

(g) The lands described in Section 2 of Chapter 415 of the Statutes of 1975 included lands, which were the subject of, and affected by, the "Upper Newport Bay Settlement Agreement for Transfer of Certain Real Property to the County of Orange and the City of Newport Beach, Jointly, and the State of California by the Irvine Company and for Settlement of Pending Litigation" (hereafter "agreement"), which was recorded on April 14, 1975, in Book 11376, Page 1514 of the Official Records of Orange County. Pursuant to that agreement, by the Grant Deed recorded on April 22, 1975, in Book 11382, Page 1876 of the Official Records of Orange County, the Irvine Company granted to the state, and the state acquired, by purchase from the Irvine Company certain described lands in and adjacent to Upper Newport Bay. The lands so acquired from the Irvine Company are included in the Upper Newport Bay Ecological Reserve. Some of those lands are subject to the public trust and others are not. The boundaries separating trust lands from non-trust lands in some of the Upper Newport Bay Ecological Reserve area have not been fixed. However, all of the lands, including those lands that are not subject to the public trust, are integral to the operation of the Upper Newport Bay Ecological Reserve and provide ecological benefits in the form of habitat that supports adjacent tide and submerged lands.

(h) It is the Legislature's intent to authorize the trustees, the County of Orange, and the City of Newport Beach to expend revenues generated from public trust lands that the county and city hold pursuant to Chapter 415 of the Statutes of 1975, Chapter 74 of the Statutes of 1978, and Chapter 317 of the Statutes of 1997, on those lands described in subdivisions (c), (e), and (g) above.
