RENAISSANCE TERRACE TITLE SETTLEMENT AGREEMENT
(SAN LUIS REY RIVER)

This Title Settlement Agreement (AGREEMENT), dated the 30th day of June 2003, is made and entered into among the City of Oceanside (CITY), as trustee of sovereign property rights pursuant to Chapter 846, Statutes of 1979, the State of California (STATE), acting by and through the California State Lands Commission (CSLC), and CH Oceanside, LLC, a Delaware limited liability company, (CONCORDIA) collectively referred to as the PARTIES.

RECITALS:

A. The land involved in this AGREEMENT, which is more particularly described in its entirety in Exhibit "A" and includes the land described in both Exhibits "C" and "D", is referred to as SUBJECT PROPERTY and is situated in the City of Oceanside, San Diego County.

B. The STATE, upon being admitted to the Union in 1850, and by virtue of its sovereignty, received fee title to all lands lying within its navigable and tidal waterways to their ordinary high water mark (OHWM).

C. The California Legislature by Chapter 846, Statutes of 1979 granted certain sovereign property rights including "the sovereign interests of the State of California in lagoons, estuaries and rivers within the city limits of the City of Oceanside."
D. Section 13 of Chapter 846 authorizes the CITY to (a) establish the boundaries of the sovereign interests by agreement or (b) exchange certain sovereign interests under certain limited circumstances, both subject to the approval of the CSLC.

E. The CITY and STATE contend that the San Luis Rey River, as it flows along or through the SUBJECT PROPERTY, was at times a tidal and at other times a navigable non-tidal waterway, subject to the public trust for commerce, navigation, fisheries, recreation and conservation of natural resources.

F. CONCORDIA contends that the San Luis Rey River, as it flows along or through the SUBJECT PROPERTY, is not now and never was a tidal or navigable waterway, for land title purposes.

G. The staff of the CSLC has conducted an extensive study and investigation of the area within and adjacent to the SUBJECT PROPERTY and has examined historical maps, aerial photos, hydrological data, and other evidence concerning such area, in an effort to determine the location of the OHWM of the bed of the San Luis Rey River.

H. The staff of the CSLC has reviewed surveys and maps prepared by CONCORDIA of the San Luis Rey River along or through the SUBJECT PROPERTY.

I. On the basis of the CSLC staff study, examination, and analysis the STATE and CITY assert a claim of sovereign fee title ownership in and to lands which include portions of the SUBJECT PROPERTY and assert that such lands are subject to the public trust for commerce, navigation, fisheries, recreation and conservation of natural resources.
J. In the area involved in this AGREEMENT, the San Luis Rey River has been affected by human activities which had a direct impact upon, among other characteristics, the River's location, velocity and volume of flow, seasonal flow patterns, and sediment transport and deposition. An example of the direct artificial influences is the impoundment and diversion of water for the construction of Interstate 5. Consequently the OHWM in this area along or through the SUBJECT PROPERTY is no longer reflective of the natural conditions.

K. Uncertainty exists as to the precise location of the OHWM of the San Luis Rey riverbed before the flows were controlled and artificial influences affected the river.

L. There is a bona fide dispute between the CITY and STATE, on the one hand, and CONCORDIA, on the other, as to the existence, extent, nature and location of their respective rights, titles and interests in the SUBJECT PROPERTY.

M. A judicial resolution of the PARTIES' rights, titles and interests in the SUBJECT PROPERTY would require costly, protracted, and vigorously disputed litigation with uncertain results.

N. The PARTIES consider it expedient and necessary and in the best interests of the CITY, STATE, the public, and CONCORDIA to resolve this title dispute by compromise settlement, thereby avoiding the anticipated substantial costs, time requirements, and uncertainties of litigation.

O. Pursuant to Government Code Section 66412(e), provisions of the Subdivision Map Act do not apply to title settlement agreements to which the CSLC is a party.
P. This AGREEMENT provides for resolution of property interest claims by the PARTIES in the SUBJECT PROPERTY by an exchange of interest claims on either side of an Agreed Common Boundary (as described in Exhibit “E”), pursuant to which (1) CITY, as trustee for the State and STATE will convey to CONCORDIA any and all of their right title and interest, including claims of any public trust interest in those lands described in Exhibit "C" and (2) CONCORDIA convey to CITY as trustee for the STATE, all of Concordia's right, title and interest in those lands described in Exhibit "D".

 AGREEMENT

NOW, THEREFORE in consideration of the covenants, conditions, and terms contained in this AGREEMENT, and other consideration, and adequacy and receipt of which are acknowledged, the PARTIES mutually agree as follows:

Article 1. CONVEYANCES

1.1 Upon the recordation of this AGREEMENT, the line described in Exhibit "E" shall constitute a fixed boundary separating the upland ownership of CONCORDIA free and clear of any sovereign interest of the CITY or STATE.

1.2 CITY and STATE remise, release and quitclaim any and all of their right title and interest, including public trust interests, in the lands described in Exhibit "C" (UPLAND PARCEL) to CONCORDIA.

1.3 CONCORDIA remises, releases and quitclaims any and all of its right, title and interest to those lands described in Exhibit "D" (RIVER PARCEL) to CITY, as trustee for the STATE, to be held pursuant to Chapter 846, Statutes of 1979.

Article 2. SETTLEMENT AND TRUST TERMINATION

2.1 This AGREEMENT is a settlement of and is intended to settle all differences among the PARTIES relating to their respective title interests in the SUBJECT PROPERTY. It is intended as a settlement of any and all sovereign interests.
or claims, known or unknown, which the CITY and STATE may have against
CONCORDIA concerning the SUBJECT PROPERTY. This AGREEMENT is also a
settlement of any and all rights, interests, or claims, known or unknown, which
CONCORDIA may have against the STATE concerning the San Luis Rey River at the
SUBJECT PROPERTY.

2.2 STATE AND CONCORDIA acknowledge that they are familiar with and
expressly waive any and all rights that might be claimed with respect to title issues in
the SUBJECT PROPERTY, by reason of section 1542 of the Civil Code of California or
any similar law of the United States or any other state. California Civil Code section
1542 provides:

"A general release does not extend to claims which the
creditor does not know or suspect to exist in his favor at the
time of executing the release, which if known by him must
have materially affected his settlement with the debtor."

2.3 The provisions of this AGREEMENT and the exchange of interests by the
parties represent compromise and settlement of the respective claims of the PARTIES
regarding the SUBJECT PROPERTY. In the event that this AGREEMENT fails to
become effective or is determined to be null and void or invalid, nothing in this
AGREEMENT shall constitute, be deemed to be, or be used by any of the PARTIES as
an admission in any proceeding, whether judicial or otherwise, to evidence the location,
character, condition, or legal status of any of the lands covered under this
AGREEMENT or any interest in the lands which are the subject of this AGREEMENT,
or the belief, knowledge, or intents of any of the PARTIES with respect thereto.

Concordia/Renaissance Settlement 7 Signature Final AD 454
2.4 Nothing contained in this AGREEMENT shall constitute, be deemed to be, or be used by any of the PARTIES or any third party as an admission of the location of the San Luis Rey River abutting any other lands of any party. The execution of this AGREEMENT, and any related documents, shall not prejudice in any way nor have any effect upon the rights or interests of any party as to any lands not covered by this AGREEMENT.

2.5 The California State Lands Commission, effective upon execution and recordation of this AGREEMENT, finds and declares that:

a) The lands to be conveyed to the CITY, as trustee for the STATE, are to be accepted as public trust lands for the benefit of the people of the State of California and any land so acquired shall have the same status regarding their administration, control, and disposition as the lands for which they were exchanged;

b) Those portions of the SUBJECT PROPERTY referred to herein as the Upland Parcel and described in Exhibit "C":

[1] Have never been or no longer are within the active channels of the San Luis Rey River;
[2] Have been filled and reclaimed;
[3] No longer are available or useful or susceptible of being used for navigation and fishing;
[4] No longer are in fact tidelands or submerged lands; and
c) This AGREEMENT is in the best interest of the STATE for protection and preservation of the sovereign public trust lands in the San Luis Rey River.

d) The value of sovereign interests in the portion of the SUBJECT PROPERTY referred to as the Upland Parcel and described in Exhibit "C" is less than or equal to the value of the private property interests acquired in the River Parcel described in Exhibit "D".

e) This AGREEMENT is in the best interest of the people of California.

f) This AGREEMENT is in settlement of a title dispute and therefore is exempt from the California Environmental Quality Act pursuant to Public Resources Code Section 21080.11 and the Subdivision Map Act pursuant to Government Code Section 66412 (e).

Article 3. **ESCROW**

3.1 The PARTIES agree to open an escrow with Fidelity National Title Company (Escrow Agent) for the purpose of consummating this transaction. The escrow fee shall be paid by CONCORDIA. The PARTIES agree to deposit fully executed counterparts of this Agreement as the opening of escrow as soon as possible following signature. The PARTIES shall each bear their own costs of title insurance.

3.4 Upon opening of escrow, Escrow Agent shall immediately provide
preliminary title reports (with copies of all recorded exceptions and plotted easements)
to the parties and a separate draft "proforma" policy for the Upland Parcel and the River
Parcel.

counsel deposit in escrow an approval of the provisions and form of their respective title
insurance policies, which is anticipated to be accomplished within twenty (20) days of

3.6 When all of the deposits and other conditions set forth in the preceding
sections have occurred, the Escrow Agent shall forthwith notify CITY, STATE and
CONCORDIA of its intention to record this AGREEMENT and related documents and its
setting of a date certain (Recordation Date). At 8:00 a.m., or at the earliest time

of San Diego, California.

3.7 If closing has not occurred on or before ninety (90) days from the date
escrow is opened, the escrow shall be terminated and the provisions of this
AGREEMENT shall be null and void. One of the PARTIES to this AGREEMENT shall
