Parcel 3.

Beginning at the point of intersection of the center line of Steiner Street with a line parallel with and 50 feet northerly from the southerly line of Marina Boulevard and thence running northerly along said center line of Steiner Street 659.38 feet to the southerly line of the real property granted to the City and County of San Francisco by State of California under authority of an Act described in Statutes of 1935, Chapter 437, page 1484; thence at a right angle westerly along said southerly line to the center line of Lyon Street; thence southerly along said center line of Lyon Street 659.82 feet, more or less, to the westerly prolongation of the center line of Marina Boulevard; (formerly Tonquin Street) thence easterly along said line so prolonged and said center line of Marina Boulevard and the easterly prolongation thereof to the point of beginning.

All of the above described real property hereby granted shall be forever held by said City and County of San Francisco and by its successors in trust for the uses and purposes and upon the express conditions following, to wit:

(a) That said lands shall be used by said city and county and its successors for purposes in which there is a general statewide interest as follows:

(1) For the establishment, improvement and conduct of a harbor, and for the construction, reconstruction, repair, maintenance, and operation of wharves, docks, piers, slips, quays, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of commerce and navigation

(2) For all commercial and industrial uses and purposes, and the construction, reconstruction, repair and maintenance of commercial and industrial buildings, plants and facilities, as may be specified by the city council, after public hearing.

(3) For the establishment, improvement and conduct of an airport and heliport or aviation facilities, including but not limited to approach, takeoff and clear zones in connection with airport runways, and for the construction, reconstruction, repair, maintenance and operation of terminal buildings, runways, roadways, aprons, taxiways, parking areas, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of air commerce and air navigation.

(4) For the construction, reconstruction, repair and maintenance of highways, streets, roadways, bridges, belt line railroads, parking facilities, power, telephone, telegraph or cable lines or landings, water and gas pipelines, and all other transportation and utility facilities or betterments incidental, necessary or convenient for the promotion and accommodation of any of the uses set forth in this Section 1.

(5) For the construction, reconstruction, repair, maintenance and operation of public buildings, public assembly and meeting places, convention centers, parks, playgrounds, bathhouses and bathing facilities, recreation and fishing piers,
public recreation facilities, including but not limited to public
golf courses, and for all works, buildings, facilities, utilities,
structures and appliances incidental, necessary or convenient
for the promotion and accommodation of any such uses.

(6) For the establishment, improvement and conduct of
small boat harbors, marinas, aquatic playgrounds and similar
recreational facilities, and for the construction, reconstruction,
repair, maintenance and operation of all works, buildings,
facilities, utilities, structures and appliances incidental, neces-
sary or convenient for the promotion and accommodation of
any of such uses, including but not limited to snackbars, cafes,
restaurants, motels, launching ramps and hoists, storage sheds,
boat repair facilities with cranes and marine ways, adminis-
tration buildings, public restrooms, bait and tackle shops,
chandleries, boat sales establishments, service stations and fuel
docks, yacht club buildings, parking areas, roadways, pedes-
trianways and landscaped areas.

(b) Said city and county, or its successors shall not, at any
time, grant, convey, give or alienate said lands, or any part
thereof, to any individual, firm or corporation for any pur-
poses whatever; provided, that said city and county, or its
successors, may grant franchises thereon for limited periods,
not exceeding 66 years, for wharves and other public uses and
purposes, and may lease said lands, or any part thereof, for
limited periods, not exceeding 66 years, for purposes consistent
with the trusts upon which said lands are held by the State of
California, and with the requirements of commerce and navi-
gation, and collect and retain rents and other revenues from
such leases, franchises and privileges. Such lease or leases,
franchises and privileges may be for any and all purposes
which shall not interfere with commerce and navigation.

(c) Said lands shall be improved without expense to the
State; provided, however, that nothing contained in this act
shall preclude expenditures for the development of said lands
for any public purpose not inconsistent with commerce, navi-
gation and fishery, by the State, or any board, agency or com-
misson thereof, when authorized or approved by the city and
county, nor by the city and county of any funds received for
such purpose from the State or any board, agency or commis-
sion thereof.

(d) In the management, conduct, operation and control of
said lands or any improvements, betterments, or structures
thereon, the city and county or its successors shall make no
discrimination in rates, tolls or charges for any use or service
in connection therewith.

(e) The State of California shall have the right to use with-
out charge any transportation, landing or storage improve-
ments, betterments or structures constructed upon said lands
for any vessel or other watercraft, aircraft, or railroad owned
or operated by the State of California.

(f) There is hereby reserved to the people of the State of
California the right to fish in the waters on said lands with
the right of convenient access to said water over said lands for said purpose.

(g) There is hereby excepted and reserved in the State of California, all deposits of minerals, including oil and gas, in said lands, and to the State of California, or persons authorized by the State of California, the right to prospect for, mine, and remove such deposits from said lands.

(h) Said lands are granted subject to the express reservation and condition that the State may at any time in the future use said lands or any portion thereof for highway purposes without compensation to the city and county, its successors or assigns, or any person, firm or public or private corporation claiming under it, except that in the event improvements, betterments or structures have been placed upon the property taken by the State for said purposes, compensation shall be made to the person entitled thereto for the value of his interest in the improvements, betterments or structures taken or the damages to such interest.

(i) The State Lands Commission shall, at the cost of the city, survey and monument the granted lands and record a description and plat thereof in the office of the County Recorder of the City and County of San Francisco.

(j) That within 10 years from the effective date of this act said lands shall be substantially improved by said city and county without expense to the State, and if the State Lands Commission determines that the city and county has failed to improve said lands as herein required, all right, title, and interest of said city and county in and to all lands granted by this act shall cease and said lands shall revert and vest in the State.
