To be forever held by said county and by its successors in trust for the use and purposes, and upon the express conditions following, to wit:

(a) That said lands shall be used by said county and its successors for purposes in which there is a general statewide interest as follows:

(1) For the establishment, improvement and conduct of a harbor, and for the construction, reconstruction, repair, maintenance, and operation of wharves, docks, piers, slips, quays, and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of commerce and navigation.

(2) For the establishment, improvement and conduct of an airport or heliport or aviation facilities, including but not limited to approach, takeoff and clear zones in connection with airport runways, and for the construction, reconstruction, repair, maintenance and operation of terminal buildings, runways, roadways, aprons, taxiways, parking areas and all other works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of air commerce and air navigation.

(3) For the construction, reconstruction, repair and maintenance of highways, streets, roadways, bridges, belt line railroads, parking facilities, power, telephone, telegraph or cable lines or landings, water and gas pipelines, and all other transportation and utility facilities or betterments incidental, necessary or convenient for the promotion and accommodation of any of the uses set forth in this Section 1.

(4) For the construction, reconstruction, repair, maintenance and operation of public buildings, public assembly and meeting places, convention centers, parks, playgrounds, bathhouses and bathing facilities, recreation and fishing piers, public recreation facilities, including but not limited to public golf courses, and for all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any such uses.

(5) For the establishment, improvement and conduct of small boat harbors, marinas, aquatic playgrounds and similar recreational facilities, and for the construction, reconstruction, repair, maintenance and operation of all works, buildings, facilities, utilities, structures and appliances incidental, necessary or convenient for the promotion and accommodation of any of such uses, including, but not limited to snackbars, cafes, restaurants, motels, hotels, apartments, residences, launching ramps and hoists, storage sheds, boat repair facilities with cranes and marine ways, administration buildings, public restrooms, bait and tackle shops, chandleries, boat sales establishments, service stations and fuel docks, yacht club buildings, parking areas, roadways, pedestrian ways and landscaped areas.

(b) Said county, or its successors shall not, at any time, grant, convey, give or alienate said lands, or any part thereof, to
any individual, firm or corporation for any purposes whatever; provided, that said county, or its successors, may grant franchises thereon for limited periods, not exceeding 66 years, for wharves and other public uses and purposes, and may lease said lands, or any part thereof, for limited periods, not exceeding 66 years, for purposes consistent with the trusts upon which said lands are held by the State of California, and with the requirements of commerce and navigation, and collect and retain rents and other revenues from such leases, franchises and privileges. Such lease or leases, franchises and privileges may be for any and all purposes which shall not interfere with commerce and navigation. Nothing contained in this paragraph shall be deemed to affect the validity or term of any franchise granted by said county under Chapter 1 (commencing with Section 6001) of Division 3 of the Public Utilities Code, and any such franchise shall be effective with respect to said lands.

(c) Said lands shall be improved without expense to the state; provided, however, that nothing contained in this act shall preclude expenditures for the development of said lands for any public purpose not inconsistent with commerce, navigation and fishery, by the state, or any board, agency or commission thereof, when authorized or approved by the county, nor by the county of any funds received for such purpose from the state or any board, agency or commission thereof.

(d) In the management, conduct, operation and control of said lands or any improvements, betterments, or structures thereon, the county or its successors shall make no discrimination in rates, tolls or charges for any use or service in connection therewith.

(e) The State of California shall have the right to use without charge any transportation, landing or storage improvements, betterments or structures constructed upon said lands for any vessel or other watercraft or railroad owned or operated by the State of California.

(f) There is hereby reserved to the people of the State of California the right to fish in the waters on said lands with the right of convenient access to said water over said lands for said purpose.

(g) There is hereby excepted and reserved in the State of California all deposits of minerals, including oil and gas, in said lands, and to the State of California, the right to prospect for, mine, and remove such deposits from said lands.

(h) Said lands are granted subject to the express reservation and condition that the state may at any time in the future use said lands or any portion thereof for highway purposes without compensation to the county, its successors or assigns, or any person, firm or public or private corporation claiming under it, except that in the event improvements, betterments or structures have been placed upon the property taken by the state for said purposes, compensation shall be made to the person entitled thereto for the value of his interest in the
improvements, betterments or structures taken or the damages to such interest.

(i) The State Lands Commission shall, at the cost of the county, survey and monument the granted lands and record a description and plat thereof in the office of the County Recorder of San Mateo County.

(j) Within 10 years from the effective date of this act the granted lands shall be substantially improved by the county without expense to the state and if the State Lands Commission determines that the county has failed to improve said lands as herein required, all right, title, and interest of said county in and to all lands granted by this act shall cease and all said right, title and interest in the granted lands shall revert and rest in the state.

(k) The county shall cause to be made and filed with the Department of Finance, annually, a detailed statement of receipts and expenditures by it of all rents, revenues, issues and profits in any manner hereafter arising from the granted lands or any improvements, betterments or structures thereon.

CHAPTER 1858

An act to add Sections 6303.2 and 5006.4 to the Public Resources Code, relating to public resources, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor July 17, 1965 Filed with Secretary of State July 23, 1965]

The people of the State of California do enact as follows:

SECTION 1. Section 6303.2 is added to the Public Resources Code, to read:

6303.2. The State Lands Commission, in order to improve navigation, to enhance, improve, protect, preserve or restore public resources, including recreational resources, the development thereof in the public interest, and other public values, may lease to a lessee the privilege to remove sand, gravel or other related materials from the bed of the Russian River, Sonoma County, in accordance with such terms and conditions as will be in the best interest of the people of the state. Such lease shall be made with the advice of the Administrator of the Resources Agency.

The advice of the Administrator of the Resources Agency shall be based upon a finding by him that the consideration to be received from the lessee shall result in the enhancement, improvement, protection, preservation, or restoration of public resources and facilities, and the development thereof in the public interest, in the Russian River area, Sonoma County.

As a further consideration for the awarding of such lease by the commission for the privilege of removing sand, gravel
